OUR MISSION

Our mission is to bring joy, healing, and mental health support to military families through the power of art and compassion.

Capt. S Claus combines the festive spirit of the holidays with the therapeutic benefits of creativity – uplifting those who serve by helping them reconnect, express, and heal.

“A brush, a canvas, and a little hope — that’s where healing begins.”

ABOUT THE PROGRAM

Capt. S Claus began as a simple drawing on a Christmas card – and grew into a movement of kindness, creativity, and connection.

Today, this program serves as part of the Arts4Vets initiative by the True Top 1% Foundation, reaching veterans, service members, and their families nationwide.

Each appearance spreads holiday joy and reminds our heroes that they are seen, valued, and never forgotten.
