

OUR IMPACT

Each year, we provide thousands of free art supplies, creative therapy sessions, and classes to veterans across the U.S.

We keep admin costs under 30%—so at least 70¢ of every dollar directly supports our heroes.

Together, we're proving that art saves lives.

ABOUT US

The True Top 1% Foundation empowers veterans to heal and reconnect through art, creativity, and community.

We transform pain into purpose—one project, one veteran, one story at a time.

OUR VISION

A world where every veteran feels seen, supported, and empowered to transform their story through art, community, and self-expression.

HOW YOU CAN HELP

VOLUNTEER

From creative workshop support and event planning to outreach and administration – your time can change a life.

DONATE

Support our mission by donating art supplies, purchasing artwork, or contributing financially.

- Arts4Vets Art Drive: May 1-31
- Purchase fundraiser artwork - 100% of proceeds fund veteran art programs.

OUR MISSION

To empower and honor our nation's veterans—the True Top 1%ers—through the healing power of art, fostering self-expression, resilience, and purpose in the journey beyond service.

OUR PROGRAMS

Free Art Classes

Hands-on classes in painting, drawing, and creative writing help veterans relax, connect, and express themselves.

Art Toolkits

Our Arts4Vets toolkits deliver personalized art supplies—free for veterans—to spark creativity and promote healing.

Creative Wellness

Programs like Painting4PTS, Reclaim & Renewal, and IGNITE & Illuminate use art to build resilience and emotional strength.

Therapist-Assisted Sessions

Guided by professionals, veterans explore art as a safe, therapeutic outlet for stress, trauma, and growth.
