Scoring System

This is a two round course for horse and riders not competing above the section height they are entering at this show this show year. To be ridden over a course of 8-10 fences with high options. The first round judged on performance, hunt pace, and quality and substance, and movement. The course may include at least one in and out, one bending line and one unrelated distance. The obstacles are to simulate those found in a hunt field. Natural obstacles may be used. The horses with the top 12 first round scores will be brought back to jump a handy hunter round which may include at least two of the following: trot jump, tight turn option, clever options for jump approach, halt and back up or a walk jump. To be judged on style, brilliance, and handiness. Judges will adhere to the USHJA Hunter Derby rules for scoring. The score will be the total of the two rounds. Adults may ride Ponies! Open to riders of all ages and levels. Horse and Rider combination may not cross enter into another Derby class the same day. Horse may not compete with multiple riders in same section.

Indoor arena is 90x200 with Atwood footing
Outdoor area is 210x110 with Stonedust/Sand
and there will be a jump out and back in from the grass.
