Dear Parents,

Thank you for allowing your child to participate in what we believe will be a very enjoyable horse experience for them. The instruction will include care, safety, nutritional programs, anatomy, and the physiology of the horse. This class/camp is designed to provide a strong knowledge base on the horse along with complete riding instructions in a positive manner.

As a reminder: You will need to provide a copy of the child's insurance, a medical release form & indemnity agreement before your child can participate in class/camp. Children are required to wear boots and riding pants/leggings while riding. Helmets will be furnished.

We are not equipped for handicapped or special needs children during camp. Please enroll them in private lessons instead of camp.

Again, Thank you for your registration. If you should have any questions or concerns before or during class/camp, please don't hesitate to call and speak directly to the owner, Corinne Deans at (443)907-9999.
