Registration

Once you complete online registration and enroll in a class, you are automatically enrolled in auto-pay unless you have sent notice to Rian@abtdance.org of another preferred form of payment.

All students will pay a non-refundable registration fee of \$30 per student for the school year, due at the time of enrollment. A separate registration fee is charged for the Summer Program. All registration fees are waived for multi-student families; please note that your account will be credited within one billing cycle.

Current ABT students will be offered early enrollment at the start of a new school year or the Summer Program. Once registration is open to the public, all classes will be first-come, first-served. If you miss early-enrollment and a class is full, you will be waitlisted. All waitlisted returning ABT students will be prioritized. New students should contact Anna@abtdance.org regarding level placement.

Registration for Creative Movement is per session, and payment will be processed at the time of enrollment; tuition is non-refundable.

Registration for all other classes is for the school year, August 2025 – May 2026. Students have the option to withdraw enrollment without a fee through January 1. Beginner ballet classes dropped after that date will carry a drop-out fee and all other classes may not be dropped in the spring semester. Please see the Drop-out section below for details.

Spring registration will be closed after January 15 (except for Creative Movement, Exploring Ballet, Ballet IA, and Ballet IA/B). Auditions may be requested after this date, however late enrollments are at the discretion of the Directors.

Payments and Billing

Tuition can be paid in full or in 9-monthly payments (September – May). Creative Movement and Summer Camps are billed in full. If you would like to pay in full, cash, or check, please email Rian@abtdance.org. Tuition will be posted on the 15th of the month, and cards on file will be charged on the 1st. Tuition will be prorated if a student enrolls mid-month.

A \$50 Tuition Adjustment Fee will apply to all enrollments after November 15 (excluding *Creative Movement*). This fee accounts for missed tuition from earlier months, as our annual tuition is divided evenly across 9 payments.

ABT requires a credit or debit card to be kept on file at the time of registration. All payment information is completely secure through *SafeSave Payments*. If an alternative form is not received by the 1st of the month, your card on file will automatically be charged. If a payment is declined or not received on the 1st, you will have until the 3rd to update the payment to avoid a late fee of \$25.

ABT accepts Cash, Checks, Bank drafts, Visa, American Express, and MasterCard. If you choose to pay by Bank Draft, please ensure you have sufficient funds in your account! If the payment is returned due to insufficient funds, you will be charged a fee from *SafeSave*, your bank, and ABT. When making a payment by cash or check, please include the Dancer's first and last name in the memo of your check. Write checks to Albemarle Ballet Theatre and drop off or mail to *P.O. Box 805, Crozet, VA 22932*.

A 15% multi class discount will automatically be applied to for each additional class beyond the first.

Withdrawal

Please send written notice to Rian@abtdance.org if you wish to withdraw from a class. Notice must be sent before the 1st of the month to avoid being charged for the following month's tuition and sent before January 1 to avoid a dropout fee. The dropout date will be calculated based on the date the notice is received. Notice cannot be retroactive. Students who stop coming to class will continue to be billed until they officially withdraw. All tuition is nonrefundable.

Level Placement

When placing students, we consider age, experience, maturity, physical ability, and attendance. Your teachers carefully consider which level will best suit each student, as we believe that proper placement is crucial to the growth, success, and experience of the dancer and their classmates. We consider the entire class dynamic to create a balanced environment where the students can thrive. For more information, click [here](#).

At ABT, we believe every student can achieve personal and individualized goals with guidance and the right mindset.

Our teachers are highly trained and experienced in their craft, and they carefully plan structured syllabi to help the students build their skill sets and achieve their goals each year. However, it is the dancer's responsibility to apply hard work and dedication, maintain a positive attitude, and invest time in learning about their craft on their own. We understand that dance is an athletic art form, and without athleticism, it is easy to plateau and experience regression and injury.

We welcome students to bring their questions or concerns to us before or after class for a brief discussion. If more time is requested, please note that each student is permitted one private complimentary 15-minute in-person meeting per school year. Any additional meetings will be charged at the private rate of \$100/hour.

Students who drop out and re-enroll, even just for a semester, will be re-evaluated for proper level placement.

Class Sizes

We are a small studio and pride ourselves on offering the highest level of training. We prioritize quality over quantity. Because of this, all classes have limited openings to ensure the best-individualized attention.

ABT has a minimum enrollment policy of 5 students per class and 7 students per camp. ABT may cancel the class and provide alternative options if the minimum enrollment is not met. A prorated refund may be issued if a class is completely canceled.

If 3 or fewer students are present for a class, the class time will be shortened, and parents/guardians will be notified at the start of class.

Absences & Make-up Classes

All absences must be entered into the portal before class or rehearsal begins, and a reason for the absence must be provided. Watch [here](#). Please read the separate absence policy for rehearsals in the “Performances” section.

Refunds or credits are not given for missed classes. If a class is dropped, any available make-ups for that class are forfeited. All make-up classes must be fulfilled within the same school year or session, after which any remaining make-ups are forfeited.

Make-up classes are available when space permits, you assume the risk that a make-up may not be available. Make-up classes may be scheduled for a class of the same length or shorter. If a shorter class is selected, the remaining time from the original missed class will be forfeited.

Make-up Options for Beginner Ballet & Modern & Jazz I

*Space for make-ups in each class is limited

Creative Movement:	Creative Movement
Exploring Ballet:	Exploring Ballet
Ballet IA:	Ballet IA/B or Exploring Ballet
Ballet IA/B:	Ballet IA
Ballet IB:	Ballet IA/B or IA
Modern & Jazz I:	Ballet IB or IA/B

Dancers are expected to maintain regular attendance for all of their classes to maintain technique, strength, and stamina. Excessive absences will be reviewed and may result in changes in class placement due to falling behind. For excessive absences, it is at the teacher's discretion to place the student in lower-level classes and/or take the student off pointe. Once attendance improves, the teacher will decide, based on progress made, when a student is eligible to return to the previously placed classes or can dance on pointe again.

ABT reserves the right to shift and schedule special make-up classes at the discretion and availability of the staff. Make-up classes that are added to the schedule require an RSVP. If fewer than 4 dancers plan to attend, the class may be canceled.

Inclement Weather & School Closings

Should the school be closed due to inclement weather, students are welcome to schedule make-up classes in the Portal in another existing class, subject to availability. Please see your 'skills' tab in the Portal for eligible make-up classes. Refunds or credits are not offered for canceled classes.

ABT does not always follow the Albemarle County Public School's decisions on closing for weather-related emergencies. ABT will notify families as soon as possible if the school will close.

Private Lessons/Coaching

Private lessons can be scheduled with Anna@abtdance.org and are billed at \$100/hour. Duets, trios, quartets, and quintets can also be arranged. Email for pricing and availability.

Pointe Shoe Fittings

New pointe students can schedule a fitting consult with their instructor for their first pair of pointe shoes. The initial consulting fee is \$25. If a student decides not to schedule a consultation, they must show their shoes to their teacher and get approval before sewing them. Further consultation with the instructor is at the dancer's discretion and will be billed at \$100/hour. Students are encouraged to take responsibility for having enough well-fitting pointe shoes in good repair for classes, rehearsals, and performances.

Fitting consults with an ABT instructor can be scheduled in advance with Anna@abtdance.org. Same-day requests will not be available.

Injury Protocol

If a student is injured, they should still observe their classes and take notes. Recommended protocol after an injury:

1. If necessary, seek treatment immediately. If not serious, treat at home and observe
2. Seek treatment if the injury worsens or does not improve after a week
3. Provide a doctor's note with next steps (PT, x-ray, not able to dance, etc.)
4. Provide a note from PT for return to dance timeline and recommendations

*Please note that serious injuries may require temporary level re-placement to facilitate successful recovery. A consultation should be scheduled with the teacher to discuss the plan to return to classes. Returning to rehearsals and performances is at the teacher's discretion.

Drop-off and Pick-up

Creative Movement - Ballet IIB, Modern & Jazz I: One parent/caregiver should walk their child into the building and drop off and pick up in the waiting area outside the studio. Dancers in these levels will not be allowed to leave the building alone.

All other classes: If the parent/caregiver is not picking up inside the building, students should wait for their ride to arrive before going outside. Students can either wait in the school or downstairs in the indoor lobby and should not wait on the porch after dark.

Students must be picked up at the end of class or rehearsal. If you will be a few minutes late, please email the instructor. We do not have available staff members to supervise your child outside of class, and ABT is not liable for the safety of the students once their class or rehearsal has ended. A fee of \$1 per minute will be charged after three late pick-ups.

Students should wear clothing and street shoes over their leotards and tights upon entering and exiting the school. ABT must be notified if someone other than the parent/guardian is picking up the dancer.

Parking Lot

The ABT parking lot is a high traffic parking lot shared with five other businesses and parking is limited; please do not wait in a parking spot during class time if the lot is full. Please use the designated drop-off zone at the bottom of the stairs for prompt drop-off and pick-up. If your dancer is not ready, please pull into a parking spot. To help with traffic flow when the lot is full, do not exit onto Crozet Ave, please exit through the lower lot by the rescue squad.

The lot is prone to hazardous conditions, please use caution when navigating; we do not have control over it being plowed, salted, traffic patterns, or use. Additional parking is available in the lower lot and throughout the strip. Please exercise caution if you park at BP as they may tow when they receive gas deliveries.

Conflict Resolution

ABT nurtures an environment and atmosphere of respect and professionalism.

If you feel you need to contact ABT to address any problems and/or concerns, we kindly ask that the issues be communicated in a polite and respectful manner and sent to Rian@abtdance.org. We understand that the nature of some circumstances may lead to heightened emotions. In these situations, we request that you refrain from sending reactionary emails. Since we cannot immediately resolve every issue, please contact ABT only if absolutely necessary.

If possible,

- First, seek clarification from your dancer to avoid misunderstandings
- Prioritize resolving the situation by empowering and guiding your dancer to seek resolution on their own
- Communicate any unresolved issues by sending an email to Rian@abtdance.org
- If deemed necessary, we will reach out to coordinate further communication
- Each student is permitted one private complimentary 15-minute in-person meeting per school year. Any additional meetings will be charged at the private rate of \$100/hour

Scholarships & Work Study

Limited scholarships are available on a first-come first-served basis. Please email Nicky@abtdance.org for more information. The goal of the scholarship program is to ensure that all students are given the opportunity to study dance in a professional school and lessen the financial burden of classes and training for students without sufficient funds. Please note that only partial scholarships are available.

ABT offers a Work-Study program, subject to availability and with a one-month trial period. Students aged 14 and older or a family member may complete the program, and a parent may be required to be present. Apply [here](#).

Performances

Participation in performances is a voluntary commitment and not required. Please review your school and family calendars before committing to an entire rehearsal and performance season. In order to participate and to maintain the high caliber and integrity of our performances, students must attend their regular classes with minimal absences to maintain technique, strength, and stamina during rehearsal periods. Excessive absences and missing mandatory rehearsals will result in recasting. No exceptions will be made to absence requests for mandatory rehearsals. Each dancer plays a big part in the performance, and each dancer's attendance and commitment affects the entire cast.

To be considered for pointe roles, dancers must take two ballet and two pointe classes. Ballet roles on demi pointe are limited and not guaranteed.

Rehearsal Absences:

Attendance is required at all rehearsals. Dancers are only excused for illness, lack of transportation, school events that a grade depends on, and a family emergency. Absences due to illness require a note from a doctor or parent sent to anna@abtdance.org. All absences must be entered before the class or rehearsal begins using the Parent Portal so the reason for the absence is logged under the student attendance record.
