PRESIDENT'S MESSAGE

by Christopher J. Piazza

Our Annual golf outing was held on Friday, Sept 19th, 2025, and it was a huge success. I could not have been any prouder of the turnout we had. Any outing of this size cannot be a success without the help of others. I tip my hat to Jack Hellman, along with all who contributed in making this a successful outing. Dana Motors once again had a new car for the taking, but sadly to say no one made a hole in one. I would like to Thank all those who supported us with a donation or with a foursome. This was my 6th outing as President and unfortunately will be my last. It is with a heavy heart to announce that I will be stepping down as President at the end of this year. As 2026 approaches the association will be making some changes and updates will be provided in the upcoming meetings. If any member is interested in being a part of a dynamic team let us know we will need your help on the board.

Our Membership Dues are \$35.00. We will continue to require two (2) separate checks for 2026 Annual Dues and any Additional 2026 Courtesy Cards. Please make checks payable to "VERRAZZANO 10-13 Association" Do not write anything else! If you feel comfortable with the internet you can always pay online at our website vz1013.com. Please be reassured this is a safe way to pay your annual dues. As always, the success of our association is in its membership. As for our membership, tell a fellow MOS about us and have them join us for a meal. I am sure they feel the same as I do ... "I miss the clowns but not the circus". You would be surprised who you might bump into at a meeting. We need our brothers and sisters to stick together, especially in today's climate. Hope to see you at our annual December Christmas Luncheon.

It has been my honor to represent you, may god bless you and your families!

VICE PRESIDENT / RECORDING SECRETARY'S LINES - Tom Dembinski

Greetings all,

The fall season is upon us and another successful Golf Outing is in the books. A big shout out to Jack Hellman for all his hard work and dedication to the success of the outing. It couldn't be done without him. Attaboy Jack!!

As discussed at previous meetings we are rolling out a Digital format of our newsletter starting January 2026. Please update your email address at the meetings with the form provided or the form is in the newsletter and can be mailed back.

Please update your information to insure you continue to receive your newsletter as hard copies will no longer be mailed out after this year.

November is approaching fast. Make sure you get out and vote. If you don't vote you can't complain about the outcome.

Stay Safe

TREASURER'S LINES - Henry Cartmell

I hope all are doing well. The annual golf outing was successful success and the weather was good. We are no preparing for the future and our holiday gathering in December at The Staaten, where we will awarding our college and high school scholarships. Don't forget to mail in any application for the scholarships.

A reminder to all to pay the 2025 dues if you have not and prepay your 2026 dues as soon as possible. Any change of address or email needs to be submitted with dues payment.

Stay safe and healthy.

CORRESPONDING SECRETARY'S LINES - Vincent Montagna

Brothers & Sisters, Boys & Girls, Ladies & Gentlemen - Another Important Election for NYC, Get Out & Vote

SGT. AT ARMS - Jack Hellman

Hello to all our members. As you know the summer is just about over, and the fall is upon us. So get the sweaters & jackets out. As you know we just completed our 24 th. Golf outing and the sixth we dedicated to our past president and friend Rich Commesso. It was a beautiful day and successful for our organization. As you know it was our main fund raiser. it helps us in our yearly expenses to give you all the things that help us fund the meetings ,picnics. Holiday parties and many charities we help. I would be remiss if I didn't recognize the people that always come toward and help of course our board, Joe Molloy,Paul Ferrigno,and our associates and and a special thanks to Barbara Gallo. I'm sure it will be mentioned elsewhere in this issue, but it is so important that we need some of you to come forward and volunteer for our board. See you at our next meeting

TRUSTEE - Philip DeLuca

Hello again fellow members. Sorry I missed the golf outing, hope everyone enjoyed the day. Looks like fall is here unfortunately wearing shorts in day and long pants at night, I hate it. Reading about this new city health plan, it's shoved down everyone's throat, the police unions for once voted against it but the civilian unions out vote us. This is only for retirees NOT on Medicare yet from my understanding, the danger is in the fine print as always. We on Medicare are still up in the air until after Election Day to see who gets in and what what up against.

Till next meeting, Phil

TRUSTEE - Bill Kelly

The summer is gone, where did it go? I hope all of you had a great summer now we're into fall. It is one of my favorite times of the year. Last week we had our golf outing and it was terrific! Great weather, lots of golf, good food and Friends. I want to thank everybody who came out and participated in the drawings. There were lots of great prizes and everyone was very generous in their ticket buying which led to a very successful day. I would like to remind those who didn't come this year to try and make it next year. It's a great day!

TRUSTEE - William "Harpo" Silvestri

Once again, our Richie Commesso Golf Outing was a great day for all. Its success was due to the efforts of our president, board and trustees but, mostly Sergeant At Arms, Jack Hellman. His diligence and hard work throughout the year has paid off year after year. The weather also cooperated, hugely. Then, of course, the food catered by John's Catering was also great from morning breakfast through after lunch dinner. The food was delicious and plentiful. All in all, it was a wonderful day.

P.S., I would be remiss if I didn't mention how helpful Barbara Gallo, wife of 10-13 member and former Recording Secretary, Paul Gallo was. While Paul golfed, Barbara remained at her station the entire time selling 50/50 Raffle Tickets. Barbara has done this same thing over a number of years. Thank you, Barbara.

On a sad note, the passing of one of our brother officers, long time member and Trustee, Carlo Imperato, was a shock to all that knew him. He had a short bout with cancer, finally succumbing to it. He was a good cop, wonderful family man and a dear friend. Carlo, May You Rest In Peace. You will be sorely missed.

ATTENTION - Revised Meeting Dates

As of January 2026, the following will be the new monthly meeting dates!!! This is a decision by the Board to better utilize the time and efforts for the betterment of the VZ 10-13 organization.

LEOSA Reform Act of 2025 – What Current and Retired Law Enforcement Officers Need to Know

Introduction: Why the LEOSA Reform Act of 2025 Matters

The Law Enforcement Officers Safety Act (LEOSA), also known as HR 218, has long been a powerful tool for enhancing officer safety across the United States. Now, a new piece of legislation—the **LEOSA Reform Act of 2025**—aims to dramatically expand and clarify these protections. If you're an active or retired law enforcement officer, this bill could significantly affect your rights to carry a concealed firearm, no matter where you live or travel. Whether you're on-duty, off-duty, or retired, understanding the potential impact of this legislation is crucial—not just for your legal protection, but for your personal safety and the safety of your community.

Understanding LEOSA (HR 218): A Quick Recap

What LEOSA Allows

LEOSA permits "qualified law enforcement officers" and "qualified retired law enforcement officers" to carry a concealed firearm in any jurisdiction in the United States, regardless of most state or local laws.

Who Qualifies Under LEOSA

To qualify, officers must meet criteria such as active service or honorably retired status, certification in firearm use, and a clean disciplinary record. An individual qualifies as a "qualified retired law enforcement officer" if they have:

1. **Separated from service in good standing** from a public agency as a law enforcement officer.
2. **Before separation**, served as a law enforcement officer for an **aggregate of 10 years or more**; or separated due to a service-connected disability after completing any applicable probationary period.
3. **Met, within the most recent 12-month period**, the standards for qualification in firearms training for active law enforcement officers, as determined by the individual's former agency, the state of residence, or a certified firearms instructor within that state.

The Origins of the LEOSA Reform Act

Historical Legislative Context

First enacted in 2004, LEOSA aimed to give officers consistent carry rights across state lines. However, ambiguity and exclusions—such as school zones and public transportation—have prompted calls for clarification and expansion.

Key Sponsors and Stakeholders

The current bill, **H.R. 2243**, was introduced by Rep. Don Bacon (R-NE) and Rep. Henry Cuellar (D-TX) in March 2025. A companion bill, **S. 679**, was introduced in the Senate by Sen. John Kennedy (R-LA).

Key Provisions of the 2025 Reform Bill

Expanded Carry Locations

The bill removes existing federal restrictions that prevent LEOSA-qualified individuals from carrying in school zones, national parks, and certain public transportation systems.

Magazine Capacity Exemptions

It exempts officers from restrictions on magazine capacity, which is especially important in states with more stringent laws, such as New York and California.

Access to Federal Facilities

The legislation would allow LEOSA-qualified individuals to enter facilities such as Social Security offices and Post Offices without disarming, streamlining routine access, and enhancing personal and public safety.

Extended Qualification Period

Retired officers would only need to qualify every 36 months, rather than the current 12-month requirement—reducing administrative burdens and costs.

Legislative Status: Where the Bill Stands Now

House Actions

H.R. 2243 has been reported favorably by the House Judiciary Committee and is awaiting further action on the floor. Last session, it passed the House but died in the Senate.

Senate Actions

S. 679 remains in the Senate Judiciary Committee. It must be passed by the full Senate and reconciled with the House version before it can become law.

What Happens Next?

If the Senate acts, and both chambers agree on a final version, the bill could go to the President for signature later this year. Without this, the bill may die in session, requiring reintroduction in 2026.

Support and Opposition: Who's Backing the Reform?

Law Enforcement Organizations

Strong support has come from major law enforcement advocacy groups, including:

- Fraternal Order of Police (FOP)
- Federal Law Enforcement Officers Association (FLEOA)
- National Association of Police Organizations (NAPO)

Political and Public Responses

The bill has bipartisan support, though some opposition exists among groups citing safety concerns in sensitive areas like schools.

Legal and Practical Implications for Officers

Retired Officers

This bill would be especially beneficial to retired officers who may currently struggle with differing state regulations and short qualification intervals.

On-Duty and Off-Duty Carry Issues

It also simplifies compliance for off-duty officers crossing jurisdictions or working in non-traditional environments such as school campuses or transit systems.

Why This Bill Is Crucial for Officer Safety and Mobility

LEOSA was meant to standardize protections, but vague language and inconsistent enforcement have hindered its effectiveness. This reform ensures officers—active or retired—can carry with clarity, consistency, and confidence.

Call to Action: Make Your Voice Heard in Congress

Your voice matters now more than ever.

How to Contact Your Representatives

- Visit [house.gov](https://www.house.gov) and [senate.gov](https://www.senate.gov) to find your legislators.
- Call, email, or send a letter urging them to support H.R. 2243 and S. 679.

What to Say and Why It Matters

Emphasize the bill's importance for officer safety, national consistency, and the reduction of legal ambiguity. Tell your story, explain your needs, and encourage swift passage.

Frequently Asked Questions (FAQs)

Q1: Does the reform apply to all law enforcement officers? Yes, as long as they meet the qualifications under LEOSA.

Q2: Will this bill override local and state gun laws? In many cases, yes—particularly for carry zones and magazine restrictions.

Q3: Is the bill retroactive? No. It would take effect upon enactment and not apply to past incidents.

Q4: How often must I qualify under the new bill? Every 36 months for retired officers (pending final language).

Q5: Can I carry on school property if the bill passes? Yes, the reform would remove that restriction.

Q6: What about carry in post offices and federal buildings? The bill allows carry for personal business access without disarming.

Conclusion

The **LEOSA Reform Act of 2025** could be a game-changer for law enforcement officers across the country. But without your support, it may stall in committee. If this legislation matters to you—your safety, your rights, your mobility—now is the time to act. Contact your Congressional representatives today and make sure your voice is heard.

Suzy Kolaz

Your Go-To Real Estate Agent in SW Florida

Suzy supports Law Enforcement, especially the NYPD!

After 9/11, Suzy wanted to “Do Her Part.” She joined World Airways as a special flight attendant/purser, contracted by the Department of Defense to transport our Military Troops in and out of the Middle East. Traveling all over the World gave Suzy the chance to meet and make friends globally. No matter where Suzy traveled all over the world, it was always so wonderful to touch down in her beautiful hometown airport of Sarasota.

Today Suzy is a fulltime Real Estate Agent that works diligently to help both buyers and sellers through the process of buying and selling their home. She is all about building relationships and she looks forward to building her next relationship with you.

TESTIMONIAL

“Sue and Patty were outstanding! Right by your side every step of the way. Being an out of state buyer and not on site to handle all the issues that come up during the buying process, this team was there to handle any issue for me and ensure the right decisions were made every step of the way. Their experience and knowledge were extremely valuable to help navigate the muddy waters. Great experience. Great people. Extremely satisfied. Highly recommended.”
