## PRESIDENT'S MESSAGE

*by Richard Comnesso*

I would like to take this opportunity to thank all the members who have called and visited me during my hip surgery. A special thanks to Jack Hellman who has been taking me out for an "airing" and lunch every couple of days. I received many get well cards from members wishing me a speedy recovery. I even received a card from Harry Morse in Florida ... thanks Harry!!

The golf outing went off without a hitch on August 31 at the Silver Lake Golf Course. It was the largest attended tournament we have had yet. Over 90 golfers attended and then they were treated to a great BBQ at the Marine Corp. League. The costs were much higher on Staten Island as opposed to New Jersey, but we still will be able to give a sizeable donation to the Police Relief Fund at our November meeting. Speaking of the Police Relief Fund, I was picked up by ambulance for my ride home from the Hospital for Special Surgery. The two officers who picked me up were extremely professional and caused quite a stir with the nurses. At first I thought it was me, but then I realized it was the two good looking "Men in Blue."

I would like to take this time to thank Tony Franzese, Marie Zolfo, Frank Martarella, Joe Cammarata, Frank Rapacciuolo, Frank Polizzi, Ed Jordan and Ernie Fazio for working their butts off at the BBQ after golfing. Another special thanks to Margaret Falcone, Vivian Martarella and Joyce Masella who ran around with chances and making sure everyone was having a good time. Behind the scenes were Linda Cammarata and Irene Comnesso who helped with setting up the gift baskets.

At our November meeting we will be giving out five (5) scholarships to children and grandchildren of our members. This is one more than was given in 2008 thanks to the extreme generosity of Brian Kelly of Sterling Investigative Services and APG Security. The scholarship will be given in the name of Colonel David B. Kelly who was my old boss and one of the greatest men I have ever known. Colonel Kelly was a former General in the United States Army and later became the number one man in the New Jersey State Police. He is sorely missed by all those who have ever known him.

*Continued on next page*

*(President's message continued from page 1)*

We are moving right along with our quest to obtain tax exempt status. I recently received a request from the government for further information which was passed on to our Attorney John Friscia. Both our attorney and John Dophohue have been working feverishly for the organization. Our heart felt thanks go out to both of them.

Even though the Verrazano 10-13 cannot be a member of any National 10-13, every one of our members enjoys separate membership. We do belong to the Alliance of Public Retiree Organizations of New York. Included in this organization are retired school teachers, firemen and other police organizations. They number over 400,000. This group is headed by Anthony Perrone, who is the most fireless worker for retired members of the force. He was the past president of the National 10-13 for those of you who don't know him, and has been instrumental in getting bills presented to both the House and the Senate.

I still have heard nothing from Jim Ferguson, President of the National 10-13, regarding the use of the patch and logo of the NYPD. Gene Lowey, President of the New York 10-13, had met with and informed his members of the meeting held with the PC's office on the status. It

seems that "Retired" must appear on the membership card and that no plaques are to be issued. It seems that another 10-13 organization had plaques and a disgruntled member called the PC's office, setting off a "witch hunt." I have spoken with Tony DeNatale, Vice President of the National, who informs me that Jim Ferguson did meet with a member of the PC's office. He stated that Jim informed the PC's office that we could not abide by the ruling given to the New York 10-13. Jim was supposed to receive a call from the PC's office but as far as Tony knew, nothing has come out of it. He has not heard from the National.

I have already booked interesting speakers for our next few meetings. I hope to see as many faces as possible at these meetings. Come, be informed of what's going on and mingle with old friends. The food is always good and so is the company.

Applications are being sent out for your 2010 dues. Remember, remember, remember ... "it is your dues" that keep our organization afloat. Tell a friend to come on down and join us.

*Richard Comnesso*

# Vice President's Message

by Anthony Franzese

I would like to wish everyone a very Merry Christmas and a Happy Chanukah. I also would like to wish you all a very healthy and prosperous New Year.

As most of you have already heard, we were grateful the 501 (C) 3 status from the IRS. The entire Board of Directors would like to thank our Attorney John Friscia, who spent many tireless hours working on this project. Another note of thanks go to John Donohue, who was instrumental getting this project off the ground.

A note to all our golf sponsor, restaurants and businesses, please consider advertising in our quarterly newsletter. \$75.00 for a business card ad, \$125.00 for a quarter page ad, \$200.00 for a half page ad, and \$300.00 for a full page ad. # Treasurer's Report

by Frank Martarella

Wow!! Since our last newsletter, the summer has come and gone. I hope that everyone had a safe and healthy summer. We are now approaching the festive holiday season.

As we stated in our last news letter, the National NYCPD 10-13 Annual Convention was held the weekend of July 24-26, 2009 at the Friar Tuck Resort and Convention Center, Catskill, New York. My wife and I along with our dear friends, who also joined us last year attended. Although the attendance was very low this year due to the economy and for various different reasons, all had a great time.

At the convention's General Meeting, one of the main topics was our decision to attain 501(C) 3 status. I must add that for some strange reason the National Board questioned why we would want to attain 501(C) 3 status. The answer is very simple "MONEY" The money we would save on mailings, sales tax and the fund raising as a tax exempt organization would greatly benefit our organization in helping our members, our families and our community which has always been our main goal. On a bright note, special thanks to Jim Brennan who won \$1,000.00 from the National Mega Raffle and donated \$200.00 to our organization.

Our Annual Golf Outing was held on August 31st at the Silver Lake Golf Course and concluded at the Marine Corp. League with a great luncheon. Our Golf Outing was a huge success. Special thanks to President Commesso's former employer, Brian Kelly, who donated \$500.00 and Ed Reuss, Jr., who won our 50/50 Raffle and donated \$190.00 back to us. Special thanks also to Nick Albano who won our 300 Raffle 3rd prize and donated \$125.00 back. It is the generosity of all those who attended and the help of all who volunteered their time that made our Golf Outing a big success.

On another bright note, as a result of our retention letter mailing, we brought back 77 members to the Association. Some members had not paid their dues since 2004. I would like to personally thank them and hope that they will continue to support us and hopefully attend and enjoy our monthly General Meetings.

We will be mailing out our 2010 Dues Renewals and we ask that you please continue to support our organization and mail in your 2010 dues. We will also be sending out Renewal Letters to our current Journal Sponsors. We are also looking to increase the number of our Journal Sponsors so if you have a relative or know someone that

has a business, maybe they would be interested in advertising in our Journal. (We have a circulation of 700) It would also make a nice gift for the holiday.

At our October Board of Directors Meeting, the Board voted that the Joseph "Buffalo" Bellesteri Fund be renamed the NYCPD Verrazano 10-13 Memorial Fund. Names of members that have passed away during the year will be chosen and recipients of the Scholarship Fund will receive their donation in the name of that particular chosen member. The Board also voted to add a fifth scholarship in honor of Colonel David Kelly, New Jersey State Police, whose son Brian, donated \$500.00 at our Golf Outing. In addition, one award this year will remain in the name of Joseph Bellestri.

At our October General Meeting our Scholarship Committee Chairman, Frank Rapacciuolo picked the additional three scholarship names from a hat. He also picked the winners of the five \$500.00 scholarships from sealed envelopes of eligible applicants and they are as follows:

1. Joseph Bellestri Scholarship – Awarded to Lauren Casparic, daughter of Steven Casparic.
2. Sergeant Sal Margarella Scholarship – Awarded to Christine Palmierie, granddaughter of Deceased member Louis De Vito.
3. P.O. Anthony Lombardi Scholarship – Awarded to Vanesa Castris, daughter of Terry Castris.
4. P.O. Vito Maddaloni Scholarship – Awarded to Tara Lawson, daughter of Steve Lawson.
5. Col. David Kelly Scholarship – Awarded to Timothy Sikorski, son of Timothy Sikorski, Sr.

We recently sent in our 2010 Annual dues to the Alliance of Public Retiree Organization of New York. The alliance represents 35 organizations, which represents over 350,000 members. The alliance, led by President Anthony Perrone does a great job of lobbying for its members in Albany. In addition, everyone who is a member of the Verrazano 10-13 is also a paid member of the National 10-13 Organization.

On a final note, regarding President Commesso's hip surgery, I watched him hobbling around obviously in great pain. I said to myself, why doesn't this guy go for surgery? Well, he finally did and all I can tell you is that he really got the most out of that old hip before he let it go! Our best wishes go out to him.

I hope everyone has a Joyous Holiday Season and my very best wishes for a Happy & Healthy New Year.

*Frank Martarella*

# Corresponding Secretary's Corner

by Joe Cammarata

It took me quite some time to finally sit down and write this article. I was trying to find out if the health bill in congress would help us or hurt us. I'm still very confused, I wish someone out there could clarify the small print and additions and how it relates to us.

I do know that on the state level we should have a great year in New York State. For years, most if not all, our line organization have told us to register and vote Democratic. They are the labor party! They're the ones that back us when we need a bill. For years we followed their recommendations and I've yet to see the health Parity we have been waiting for with the same protection afforded the Teachers and Senior Fire Officers.

For many years now we have been told by both sides of the Albany isle that, "hey, that's a great idea and it seem perfectly justified. I can't understand why you don't have the same protection" Usually the responses went something like this: "As your assembly representative I will try to submit it but, I know the Republican Senate will not make it pass. Go to the other side, the Senate. I can't understand why you don't have the same

protection as the Teacher and Senior Fire Officers. I'll submit the bill but, I doubt it very much if the Democratic assembly would pass it."

Move to: 2009-2010. Democratic, Assembly, Democratic Senate, Democratic Governor we should get it this year! If not, let's put some feet to the fire. Are you listening line organizations?

On a lighter note, I caught a sneak preview of John "Jack" Moran's book, U.F. 16 nothing to report. I can't tell you how proud I am of a great guy who's one of us. That's the quiet guy in the middle of the room that doesn't say much but watches and enjoys the camaraderie of the 10-13.

As you all know a U.F. 16, is or was your old memo book. It seems Jack has taken his old books from a total of twenty five years of service and created a book, U.F. 16 Nothing to Report" that should be entertaining, enlightening and enjoyable. I guess we'll be the first to have a book signing when it's in true publication. The best of luck Jack!

I've often thought about writing a book myself. Just the fun parts. We could all write about the blood and guts of Police work but the funny days and instances, can't be imagined by the public. That reminds me, if you have anything interesting to put in the RMP please pass it along I'll see to it that it makes the print.

Have a blessed Christmas and a Happy New Year!

*Joe Cammarata*

### **MURDERED NYPD OFFICER TIMOSHENKO, PARTNER YAN HONORED BY GOV**

Murdered NYPD Officer Russel Timoshenko and his partner Herman Yan were honored today by Gov. Paterson as "Police Officers of the Year" for their bravery and valor. "My respect for these courageous men is immeasurable," Paterson said during the award ceremony inside his Midtown offices. Timoshenko and Yan were fired upon in August 2007 after they pulled over three men inside a stolen BMW SUV in Crown Heights, Brooklyn. Timoshenko was killed in the shooting while Yan was injured.

Timoshenko's award was given to his parents Leonid and Tatiana, while Yan accepted his plaque and medal, which the governor's office has handed out since 1983 to cops from across the state for "exceptional acts of valor."

They promised to serve and protect the public...Yet they accepted that responsibility and voluntarily carried out their duties," said Paterson. Dexter Bostic, Robert Ellis and Lee Woods were all found guilty in connection with Timoshenko's murder and are currently in prison.

Update: November 15, 2009, in the quiet community of Bay Terrace, Staten Island, NY where Det. Timoshenko lived from the time he was 14 until he was slain, a ceremony honoring his memory was held. The unveiling of sign renaming Durant Avenue, "Detective Russel Timoshenko Way" was attended by Det. Timoshenko's parents, family and friends. After the ceremony, Mrs. Timoshenko said "this means a lot because my son's name will always be here and people will always remember".

# Recording Secretary's Lines

by Marie Zolfo

The November meeting opened with President Comnesso calling the membership to order with a salute to the flag and moment of silence for our sick and departed members. Special mention was given to recently departed members Ronald "Buzz" Bjorkstrom and Dave Collins. Special mention was also given for Tony DeNatale and Lou Perdon who are in the hospital. Comnesso thanked the members for their cards and phone calls during his recuperation from a Hip Replacement.

Several topics of interest, which included using the NYPD Logo on our membership cards, were discussed with the membership. It appears that we are able to use the NYPD logo provided "retired" is indicated on the card. We are awaiting further information from the National regarding this matter.

Another matter mentioned is the ongoing application for the 501 3 c which appears to be drawing to an end. By-Law Committee Chairperson John Donohue explained that certain changes were to be made to the By-Laws to satisfy the IRS. The changes were voted on and agreed to.

Again, I have to mention that having the 2009 Golf Classic in Staten Island was very successful and special thanks to all of the volunteers. Also mentioned at the meeting is a possible upcoming Atlantic City Trip. Correspondence Secretary Joe Cammarata explained that we could use the LaBetti VFW Post for breakfast and boarding the bus to Atlantic City. A date in January will be looked at.

Joe Cammarata also advised the membership that he is looking into a 1952 law regarding Health Benefits. It appears that if a veteran has 90 days of service during wartime and/or one day in a theater, they or their survivors are eligible for government health benefits. Joe will gather addition information.

The last Driver's Education Course given by John Donohue was successful, and John will be running another course in the near future.

Joe Bonamo, Committee Chairperson for Health & Welfare stated that he has been keeping up to date on the proposed Health Care Bill and that there are many pros and cons. Joe said that he would be putting together a summary to disseminate.

Treasurer Frank Martarella gave the financial report and advised the members of the standings in each of the accounts prior to the November meeting.

President Comnesso introduced Tom Deger and Chris Fasano of the Police Relief Fund and presented them with a check of \$2,000. Deger spoke to the members and thanked them for our continued support.

President Comnesso also presented a check of \$500. for the Col. David B. Kelly, New Jersey State Police, Scholarship Fund to Tim Sikorski, son of Timothy Sikorski. The remaining scholarship fund checks will be given at the December meeting.

The December meeting will be the Christmas Party held at Kings Buffet on Monday, December 28, 2009.

A Thanksgiving buffet catered by Canlon's was enjoyed by all.

I would like to wish all of our members and their families a very Merry Christmas and a Happy, Healthy New Year!
