PRESIDENT'S MESSAGE by *Richard Commesso*

Richard Commesso

We are approaching the summer months with hopefully warm weather. This has been one nasty winter with the cold, snow and rain. The summer months also brings many problems for our brothers in blue. Shootings up over 20% have politicians thinking maybe stop and frisk has something to do with it. Just last week there were 12 shootings in the 70th Pct. One suspect (a youth) was questioned and he was asked why he was carrying a gun. He stated to the officer that all his friends are carrying guns because they know no cop is going to stop them. It's time to face facts; our mayor has no real use for NYPD. He refuses to up the budget for more police officers even though cries of help are coming from the inner city. Here on Staten Island even Debbie Rose is asking for more police presence. Many leaders of other 10-13's are complaining about the lack of response of members on Lobby Day. What they fail to realize it that there are no politicians to see on Lobby Day. They all hide in their offices or are conveniently out to lunch. The only politicians that are seen are the ones that are always there for us. Until there is a change in the political climate in New York City, we will not see a change. There was a support our Police day at the Staten Island Mall. Several of our members were in attendance and so were our elected officials.

At our May meeting, we had a guest speaker Detective Norvis informing us about HR218. He was well received and many questions were answered. With the climate of the city, many retired members who were not carrying their weapons are now doing so. At our June meeting, Scott Ferrante (718) 673 1329, of Clear Captions was our guest speaker. He informed the members that a free service is available to us. It is a phone for those who have trouble hearing conversations. It also has a caller Id attached. Pamphlets were passed out.

Start your own tradition like the 62nd Precinct table. Homemade wine, pepperoni, olives are the call of the day. Remember the June meeting is our last one before the summer break. I look forward to seeing you at our meetings.

Det Norvis – HRA 218

Scott Ferrante - Clear Captions Phone System

62 Precinct Table

The golf outing will be August 28 at the Bunker hill Golf Course. Dana Lincoln/Ford has once again stepped up to the plate with a new Ford Mustang for anyone getting a hole in one. Jack Hellmann will once again chair the event. We are going to need help in soliciting tee and dine-a-round sponsors.

A retention letter is being sent out to members who have not paid their 2015 dues. It is the dues along with the golf outing that keep us as a strong organization. We have asked at our meetings for the members contact the restaurants and business places for donations.

VICE PRESIDENT'S LINES

By Joseph Molloy

I hope everyone has a safe and great summer. A shout out to Scott Ferrante for installing my FREE Clear Captions Phone System. Anyone that has trouble hearing should really give him a call (718 673-1329).

Our Annual Golf Outing will be held on Friday August 28, 2015 at Bunker Hill Golf Course, NJ, bring a friend or make your own foursome.

As we approach our twilight years it seems our main topic of conversation is our declining health or who has passed. Let's enjoy what precious time we have left.

Finally, Patrolman Phillip Cardillo, will be publicly honored with an NYPD harbor boat dedication on July 14 this year. **THANK A COP OR SOLDIER TODAY !!!**

TREASURERS LINES

By Charles Manganato

Summer is upon us and we'll be having our annual golf outing on August 28th. It again will be at the Bunker Hill Golf course and the price will remain at \$125.00 per golfer. However, if you can't make it there is still a great way to be involved. You can sponsor a tee or hole for \$100.00.

I have some good news and bad news to report. First the good news, a review of the first 6 months of attendance at our monthly meetings averaged 60 plus members per meeting. That was much better than the 2014 statistics of 49 plus members per meeting. Now for the bad news, there are 80 members who paid their dues in 2014 but have not paid their dues as of yet for 2015. We will send out a notice to those members as a reminder. In addition, a break in continuous membership could have an impact on Lifetime Membership and Scholarship requests.

We recently have had the bad news that a few our members had passed away. Please keep them in your prayers and thoughts.

I wish you all a happy and healthy summer season. I hope to see you at future meetings or at the golf outing!

RECORDING SECRETARY'S LINES

By Paul Gallo

As the golf outing approaches, we will need all members help to increase our sponsors. If there are special stores, merchants, financial advisors, eating places you frequent ask them to sponsor a hole, or make a donation. Be sure to inform them that we are a 501c3 organization and their donation is tax deductible. They may even allow us to place a sign in their place of business. Every little bit of help we get will increase our revenue. This event raises a lot of working capital for our organization and helps to defray the costs of our meetings. The Executive Board has start working on the details. Please join the Board, as a team effort we can make this a success.

GOLF & SUNSHINE COMMITTEES

By Jack Hellman (646 -752 - 6148)

My fellow club members, by the time you read this we will all be well into the summer season and enjoying hopefully some great weather. Unfortunately some of us will experience some bad health or loss of a loved one's. We would like to know this so we can acknowledge it by sending a card to somehow comfort these people. Please let me know by calling me. Also let me know if anything can donate help in this time of crisis. This is what we are all here for.

It is my sad duty to report the following deaths of members of the NYC Verrazano 10-13 Association. **March 5, 2015, PO Richard T. Capone**, age 73, appointed to NYPD in 1968 and retired from the 62nd Precinct in 1988; **Detective Ralph Brech**, age 84, appointed to the NYPD in 1987 and was assigned to the 1st Precinct in Manhattan. He was promoted to detective third grade and retired from 7th Precinct in 1987; **June 12, 2015, PO John D. Beckmann aka "Santini"**, age 76, retired from the 62nd Precinct; **June 21, 2015, PO Kenneth F. Hammill**, age 58, appointed to NYPD in 1982 and retired in 2002 from Emergency Service Unit #5.

Sick & Injured Report: **Bruce Struthers** – Knee Replacement

As you know, we have our annual golf outing to be held on August 28th at the Bunker Hill Golf Course. This is our main fund raiser for the year. The proceeds from the outing help to pay for the operating, scholarship fund, and our annual contribution the police emergency medical unit. It also gives us money so that we can help members who are in need. We need the support of all members to obtain this good, by taking an ad, sponsoring a hole, or by buying a 50-50 chance. Remember all these things either directly or indirectly go to the members. Have a great summer, see you at the golf outing or our next meeting.

HEALTH TIPS - ABOUT HEART ATTACKS

(The following information was published by the Mayo Clinic)

DRINKING WATER

How many people do you know who say “they don't want to drink anything before going to bed because they'll have to get up and urinate during the night”

Q. Why do people need to urinate so much at night time?

A. This is what the Mayo Clinic said about the relationship of Heart Attacks and Water

Gravity holds water in the lower part of your body when you are upright (legs swell). When you lie down and the lower body (legs, etc.) is level with the kidneys, it is then that the kidneys remove the water because it is easier. This then ties in with the last statement! I knew you need your minimum water to help flush the toxins out of your body, but this was news to me.

Very Important - What is the correct time to drink water?

Drinking water at a certain time maximizes its effectiveness on the body:

2 glasses of water after waking up - helps activate internal organs

1 glass of water 30 minutes before a meal - helps digestion

1 glass of water before taking a bath - helps lower blood pressure.

1 glass of water before going to bed - avoids stroke or heart attack.

Water at bed time will also help prevent night time leg cramps. Your leg muscles are seeking hydration when they Cramp and wake you up with a Charlie Horse.
