PRESIDENT'S MESSAGE

by Richard Comnesso

Please don't anyone come up to me and tell me about Global Warming. I envy our brothers who have traveled down south to get away from this horrendous weather. Every year seems to get harder and harder to cope.

We lost several of our 10-13 brothers this year so far. Sergeant Larry Ernst, our Treasurer is going to be sorely missed. Larry stepped up and took the job when no one else did. He did a great job in handling our accounts. Sergeant Paul Ferrigno has stepped up and taken over this thankless job. Paul has taken so to speak the bull by the horns. He has his mind set on how the Treasurer's job should be handled and is following through with his plan. I must say that he has everything under control.

P.O. Gallo has once again set up an Atlantic City trip scheduled for April 10. Once again we will meet at the Staten Island Mall and will be returned to the same. The cost for us will be \$30.00 and the casino will give us just about the same in return. Please attempt to come and support your organization. We don't ask for much from you and your return is great.

P.O. Vinnie Montagna did an excellent job in handling the Challenger Coins which everyone loved. Vinnie still has a few coins left if anyone is interested contact him directly. Vinnie has also been instrumental on obtaining the grants that our organization enjoys. It enables us in our charitable endeavors that we take part in.

P.O. Joe Molloy has taken over the publication and is doing a fabulous job of it. He is making sure that all articles are in on time and getting them to the printer. Joe now knows the frustration I had when getting the publication out.

P.O. Jack Hellman has taken over the duties of Sergeant At Arms. I know that Jack will use his "finesse" to keep order at the meetings.

Our Next meeting will be April 17 and our guest speaker will be Councilman Steven Matteo. Steve's dad was one of us and I had a great time umpiring the softball games he took part in with his sons. Steve still plays shortstop for the team and can still hit. Make it a point to come to the meeting and welcome Steve.

P.O. Vincent Imperato has taken the position of Trustee and is a welcome addition to our Board. I will be giving Vin more responsibilities as time wears on.

Carlo Imperato greatly helps the organization, especially at our meetings. You will find Carlo at the front door checking members in. Carlo also is instrumental in soliciting our 50-50's.

William "Harpo" Silvestri has settled in and is prepared to take a more active role on the Board.

P.O. John Donohue is still involved and helping Vinnie Montagna with the grant issue. He is a big help to the organization.

Our 18th. Annual Golf Outing will be held on August 23 at the Bunker Hill Golf Course. The management has been more than gracious at the facility. The cost has remained the same at \$125.00. Please make it a point to try and partake in this event. This is the event that carries us through the year. Jack Hellman will once again Chair the event and will receive help from the board. We will need help in obtaining sponsors for this event. Please see the flyers included in this publication.

This is your organization. Please support it and make every attempt to come to meetings.

VICE PRESIDENT'S LINES - Joseph Molloy

Something to pass on to family & friends!!!

Examples of Identity Theft

There are a variety of forms of personal identification that a thief may steal from you. If you believe you have been a victim of identity theft, be sure to check all of your accounts. Here's what to do if you discover someone has been abusing your accounts:

Stolen Checks

If you have had checks stolen or bank accounts set up fraudulently, report it to the check verification companies. Close your checking and savings accounts and obtain new account numbers. Give the bank a secret password for your account (not your mother's maiden name).

ATM Cards

If your ATM card has been stolen or is compromised, get a new card, account number and password. Do not use your old password. When creating a password, don't use common numbers like the last four digits of your Social Security number or your birth date.

Fraudulent Change of Address

Notify the local postal inspector if you suspect an identity theft has filed a change of address with the post office or has used the mail to commit credit or bank fraud. Find out where the fraudulent credit cards were sent. Notify the local postmaster for the address to forward all mail in your name to your own address. You may also need to talk to the mail carrier.

Social Security Number Misuse

Call the Social Security Administration to report fraudulent use of your social security number. As a last resort, you might want to change the number. The SSA will only change it if you fit their fraud victim criteria. Also, order a copy of your Earnings and Benefits statement and check it for accuracy.

Passports

If you have a passport, notify the passport office in writing to be on the lookout for anyone ordering a new passport fraudulently.

Phone Service

If your long-distance calling card has been stolen or you discover fraudulent charges on your bill, cancel the account and open a new one. Provide a password, which must be used anytime the account is charged.

Driver License Number Misuse

You may need to change your driver's license number if someone is using yours as identification on bad checks. Call the state or District of Columbia office of the Department of Motor Vehicles (DMV) to see if another license was issued in your name. Put a fraud alert on your license. Go to your local DMV to request a new number. Also, fill out the DMV's complaint form to begin the fraud investigation process. Send supporting documents with the complaint form to the nearest DMV investigation office.

BUILD THE WALL.

TREASURER'S LINES - Paul Ferrigno

With the passing in January of Larry Ernst, a dear friend and treasurer of our association, I was asked by our 10-13 Board, and with the approval of the membership, to take on the duties and responsibilities of Treasurer, which I have.

With utmost hope, I will try to do as well as my last two full time predecessors. In the short time that I have been treasurer, I've learned a good deal about how our finances, revenue and expenses, operate. I have perused our records and am happy to report that our association's financial status is in good order.

One of the objectives of our association is to support and aid its members and other retired and active law enforcement personnel. One of the ways we do that is through a fundraiser such as our annual Golf Outing. It goes a long way toward our goal to provide donations to The Police Widows and Children fund, scholarships to our members' children and/or grandchildren and other worthwhile causes that our membership deems worthy. I strongly encourage you to promote and participate in this event. Make it known to your family and friends; it's open to all. It's a great day with good food and refreshments, prizes and just plain good old fun. I also urge you to participate in our 50/50. Last year's winner received in excess of \$1500.00. Applications are printed in this News Publication. Hold the date, Friday, August 23, 2019.

We also have a Bus Trip to Atlantic City's Tropicana Wednesday, April 10, 2019. Further information and application also included in this publication.

The following is for the younger members who regularly attend our monthly meetings. Out of our nine board members, I believe, only one is less than the age of 75. The rest of us are pushing 80. We need new blood to keep this association going. I'm asking that, when election time comes around, you consider running for one of the positions. We can especially use anyone who is computer savvy. Please keep this in mind.

Stay well and God bless.

CORRESPONDING SECRETARY'S LINES - Vincent Montagna

I've been visiting with Tommy Del Priore, Patrolman, MOF, Retired, Motorcycle 2, Staten Island back in the day he was partners with Tony Marone, (President, Manasota, 10-13 Association) Radar / Chase car on Hylan Blvd. He is currently in Silver Lake Special Care Center, 275 Castleton Ave, near Silver Lake Traverse Road. Stop in and pay a visit. Bring something of the past that he could relate to. He is on the fourth floor. It would lighten his day. We all have to grow old, but we don't have to grow up!! Stay young at heart and of mind my friends. Enjoy as much out of life as we can. Always remember, and never forget.... Our Life begins to end, the day we become silent about things that matter.

TRUSTEE - William "Harpo" Silvestri

In a recent newsletter from the Charlotte, NC 10-13 Association I came upon the article listed below. I thought it to be interesting, quite informative and worth passing on to our membership. I would guess that there are many who are unaware of the organization known as POPPA and the assistance they can provide. You never know; it may be helpful to you or someone you know.

Excerpted From The Charlotte 10-13 Newsletter

Sadly during 2018, 160 police took their own lives, which is more than the number of officers who died in the line of duty and is an increase of 14.5% when compared to 2017. Unfortunately that trend is continuing in 2019. So far 12 police officers have committed suicide in the U.S., including 3 NYPD officers.

The aftermath of 9/11 weighs heavily on the minds of hundreds of NYPD officers who participated in the search and recovery efforts after 9/11, including many of our club members, some who are suffering from 9/11 related illnesses. Over 130 members of the NYPD have died from 9/11 related illnesses and this has to add to the stress of those participants.

Police Organization Providing Peer Assistance (POPPA)

POPPA offers a confidential and free service to help active and retired officers who may have issues with depression, emotional problems, illness, bereavement, family and relationships, finances, gambling, substance abuse, etc. Virtually all of POPPA's work since 9/11 has been focused on the trauma and stress experienced by police officers in the wake of the Twin Towers collapse. Over the years, POPPA's efforts have supported officers suffering PTSD as a result of 9/11. The ceremonies marking the anniversary of 9/11 did not bring closure for officers who had worked at Ground Zero. Because 9/11 had no precedents, its after effects cannot be predicted and the after affects are still being felt across those who served at Ground Zero. In addition to providing assistance to active NYPD officers, POPPA provides assistance to retirees.

POPPA, Retiree Program

Poppa has grown to a team of over 100 retirees in the metro NYC area and nine states including Florida, North and South Carolina and Nevada. Retired police officers can avail themselves of POPPA's services for PTSD, relationship problems or substance abuse. Sometimes it is just a need to reconnect with another person who can identify with the uniqueness of law enforcement. POPPA has trained teams of dedicated retired Peer Support Officers who are passionate about supporting the POPPA mission. Whether active or retired, POPPA is the safe and confidential support system available to get you through your situation.

POPPA's services of intervention, prevention, self-care and resiliency have grown to a volunteer network that includes approximately 200 active and retired uniformed members as Peer Support Officers (PSO) including one of our Club members.

TRUSTEES - Carlo & Vincent Imperato

There was a recent story on the news about an airline celebrating Black History Month by posting a picture of Joanne Chesimard. As we all know, this woman was involved in many murders of police officers and wounding of others, including my brother and me.

On Feb 28, 2019, police in NYC and Long Island were notified that MS13 is attempting to kill police officers at their homes. We have not heard from politicians or big business condemning MS13. It seems that the thin blue line is on its own.

What can we do as retired police officers? There are millions of us in the U.S. We need to come together and do what the Democratic left does, that is, confront our politicians and business owners and find out who supports us and who does not. Vote out the politicians and boycott businesses that don't support the police. There is strength in numbers. We have to make America great again for our children and grandchildren.

**Note: Airline involved issued an apology which was accepted by New Jersey State Police.
In the past this airline has provided free flights for officers attending out of state Police Funerals.**

SGT. AT ARMS - Jack Hellman

Here's my article I'm in Puerto Rico, well I hope the winter is finally over, and you guys and gals are all thawed out, hope you all payed your dues and are all up to date, so you can enjoy all the benefits that you all are entitled to, such as scholarships, free club dues for over age 100, only kidding. Christmas dinners etc. As you all know I'm the new Sgt. at Arms and it is my job to maintain order at meetings, you are all not children and it is only good manners to treat our guest speakers with respect, when they appear before us/even if some of them are full of shit, we have a bad enough rep. With some of the politicians. So please don't embarrass our president and be quiet for a few minutes, you know nobody wants to go eat as much as me, so control yourselves and I'll get you an extra doughnut, I want to wish all of you a very happy Holy season, and if you know of any health related news where it's appropriate to send a card let me know!

TO ALL DELEGATES AND MEMBERS:

Dear PBA Member,

I am writing to update you on the latest issues involving the broken and unaccountable New York State Parole Board.

As we **previously announced**, the Parole Board has secretly stopped accepting the letters in opposition to the parole of cop-killers submitted via the "Keep Cop-Killers In Jail" tool on the PBA website.

The PBA will continue to press the Parole Board to honor its agreement with the PBA and restore the direct link between the PBA website and the Parole Board. In the meantime, however, we have reconfigured the "Keep Cop-Killers in Jail" tool so that the opposition letters come directly to the PBA.

The reconfigured tool is now **live on the PBA website**, and we are asking every single PBA member and their friends and family to use this new process to resubmit their opposition for every cop-killer on the list.

The PBA will print out every single one of those letters and deliver them to the Parole Board—by hand, in person—to send a strong message that our voices will not be silenced or ignored.

As always, we will continue to update you on development in this issue.

Fraternally,

Patrick J. Lynch
