HOW TO MAKE A ZINE

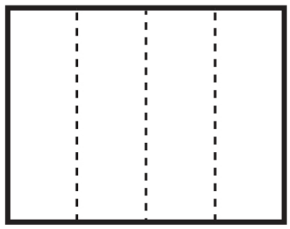

Start with a plain sheet of paper. Hold it with the long edge up.

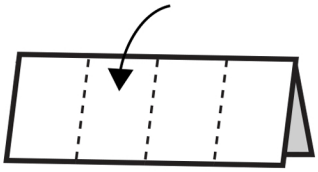

Fold it in half from left to right.

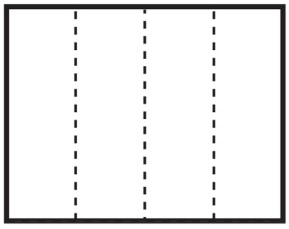

Fold it in half again from left to right.

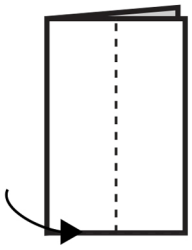

Unfold your paper and you should see four sections.

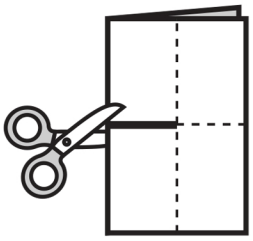

Fold the paper in half from top to bottom.

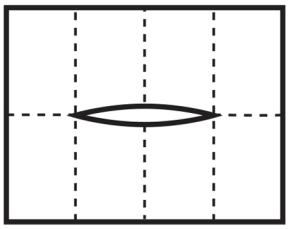

Unfold it, and you should now see 8 sections.

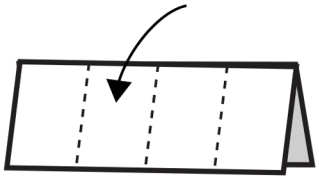

Fold it in half, left to right.

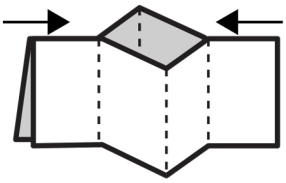

Make sure you start on the folded side and cut to the center of the paper

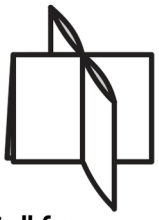

Unfold it and you should have a slit in the center like this.

Fold the paper in half again from top to bottom..

Gently push in the ends so the middle sections stick out.

Fold all four pages to one side. Congratulations! you have made a zine!
