

How to Draw Flubby

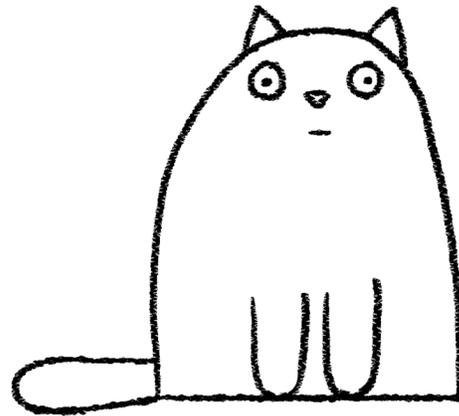

1. Draw an upside down "U" and then draw a line across the bottom.

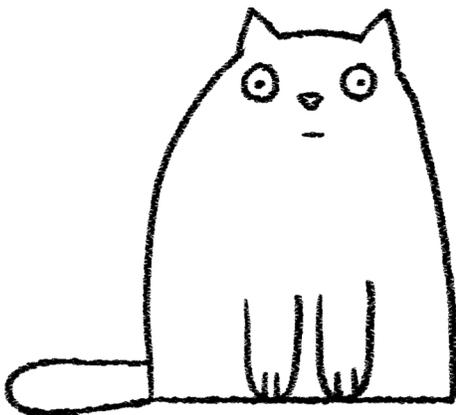

2. Add little pointy ears and 2 skinny "U" shapes for legs.

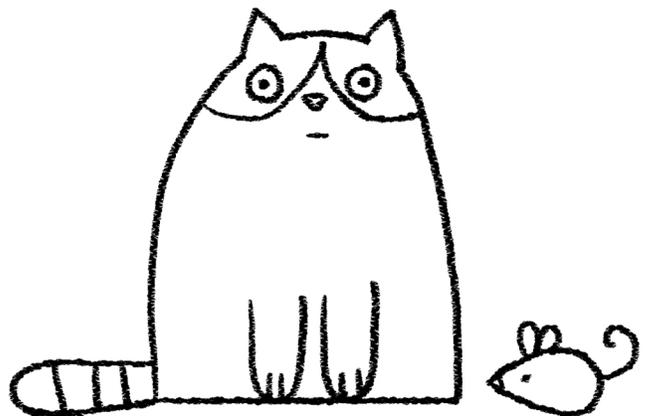

3. Add little pointy ears and 2 skinny "U" shapes for legs.

4. Add dots to his eyes. Give him a dazed look. Add a triangle nose and a little mouth.

5. Draw 2 lines on each foot for toes. Erase the lines between head and ears.

6. Add stripes to tail and patches around eyes.
