

## The Story Starter Game

**Directions:** Cut out and fold all the “Character” rectangles and put into a small paper bag. Cut out and fold all the “Settings” rectangles and place them in a different bag. Take turns selecting one slip from the “Characters” hat and one slip from the “Settings” hat. Then draw a picture and/or write a story based on your choices. Use another sheet of paper to add your own characters and settings to the game.
