

How to Draw a Leprechaun

1. Draw an upside down "U" with a line across the bottom.

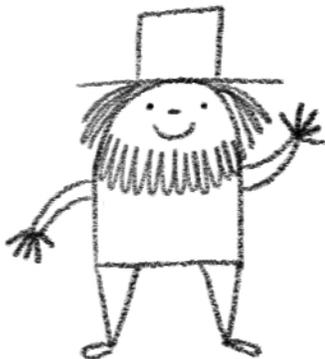

2. Make 2 skinny triangles for legs and add some feet.

3. Draw a square on top for a hat and a line for the brim.

4. Give him some hair, a beard and a face.

5. Add 2 arms.

6. Give your leprechaun a pot of gold and a rainbow!
