# How to Draw Abraham Lincoln

1. Draw a tall skinny "U" with a straight line across top.
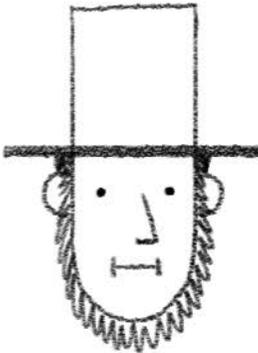

2. Draw a thick line through the center of the "U" shape.

3. Add 2 periods for eyes and an upside down seven for a nose.

4. Add a sideways capital "I" for a mouth and 2 "C" shapes for ears.

5. Add scribbles for his beard.

6. Add parentheses for eyebrows and anohter period for a mole. Color in the hat and his beard.
