

# LEGACY church

FIND. GROW. DISCOVER. IMPACT  
LEAVING A LASTING LEGACY!

DUSTIN & JESS KIPE  
LEGACYSHIP.CHURCH

## Our Mission

At Legacy Church, we believe church should look like heaven: **multicultural, multigenerational**, and filled with people from all walks of life finding their way back to God. We want to help people **find God, grow their faith, discover their purpose, impact our community, and leave a lasting LEGACY.**

## Our Vision

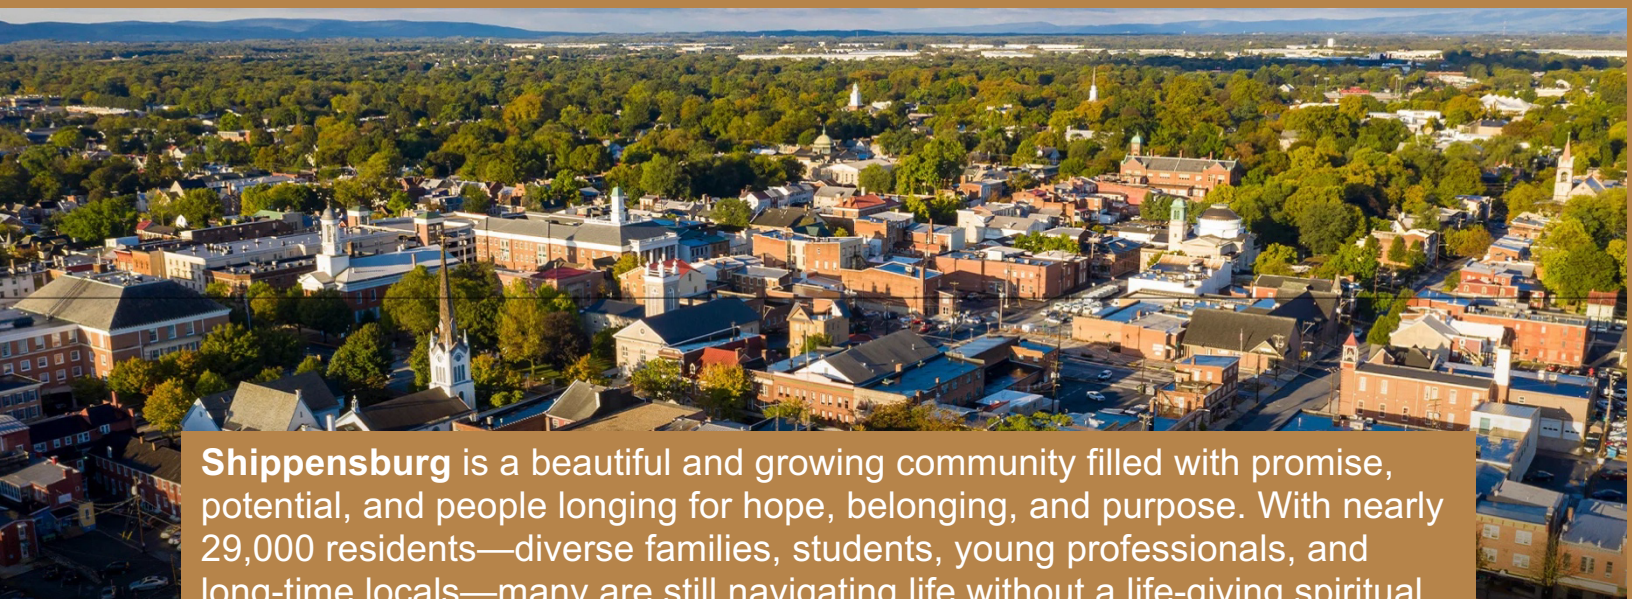

**Find God...** Because nothing is more important than a real, personal relationship with Him. Whether you're far from faith or just finding your way back, there's a place for you at Legacy.

**Grow your faith...** Faith is a journey, not a destination. We're committed to walking with people every step of the way as they take their next step with Jesus.

**Discover your Purpose...** You were made on purpose, for a purpose. We want every person who walks through our doors to know they are uniquely gifted and called to make a difference.

**Impact our community...** Faith isn't meant to be private. It's meant to overflow. We want to be known not just for what happens inside our church, but for the transformation happening outside of it—in homes, schools, neighborhoods, and workplaces.

**Leave a lasting LEGACY...** We're not just building for today. We're building for tomorrow—for the generations that will come to know Jesus because of the steps we take now.

**Shippensburg** is a beautiful and growing community filled with promise, potential, and people longing for hope, belonging, and purpose. With nearly 29,000 residents—diverse families, students, young professionals, and long-time locals—many are still navigating life without a life-giving spiritual home that meets them where they are. Even with existing churches, there remains a deep need for a church that brings fresh vision, authentic community, and practical faith that speaks to everyday life.

**Legacy Church** is being launched because too many people in South-Central Pennsylvania feel spiritually disconnected, unseen, or uncertain about where they belong. Families are searching for stability. Students are searching for identity. Neighbors are searching for hope. And many are searching for a place where they can grow in faith, discover their God-given purpose, and make a lasting impact on the world around them.

**Legacy Church** exists to be that place.

We believe God is calling us to plant a church that is life-giving, Spirit-empowered, and outward-focused—one that loves people well, serves the hurting, builds strong families, invests in the next generation, and impacts the region with compassion and practical care. A church not content with simply gathering but committed to sending people out to change their neighborhoods, workplaces, schools, and future.

This church plant is more than a new building or a Sunday service. It's the start of a movement—one that helps people **find God, grow their faith, discover their purpose, impact their community, and leave a legacy** that outlives them.

**Legacy Church** needs to be started because the community is ready. Families are ready. The harvest is ready. And God has opened the door for a church that equips people not just to attend...but to become the people God created them to be.

# MEET DUSTIN & JESS KIPE

Dustin and Jess have been married and serving in ministry together for the past four years. They are the proud parents of six kids and love spending time together working on projects around their home.

Dustin has had the privilege of serving in a wide range of roles within multi-generational, multi-cultural, and multi-location churches. With more than 20 years of full-time ministry experience, his greatest passion is helping people encounter Jesus and grow into a deeper, more authentic relationship with Him. Through worship leading, teaching, and faithful service, Dustin seeks to create environments where hearts are open, faith is strengthened, and lives are transformed by the love of Christ.

Jess has served in the nursing home field since she was first able to work and has been part of the Sarah A. Todd Memorial Home since 2016, serving in multiple capacities. She carries a deep compassion for residents and a genuine love for people. Jess also has a strong heart for the community and has helped launch several compassion-focused outreaches over the past few years.

Together, Dustin and Jess share a passion to see Shippensburg transformed by Christ's love, meeting both spiritual and practical needs and bringing hope to their community wherever possible.

# Get involved

## Prayer...

God moves when His people pray. From the prophets to the early Church, revival and transformation begin when we seek Him. At Legacy Church, we're praying for God's Kingdom to come in Shippensburg—lives restored, the Church awakened, and Jesus known. Join us in praying for His work in our city. Email us to become a Prayer Partner.

## Give...

Your generosity helps create a space where people can encounter Jesus—maybe for the first time, or for the first time in a long while.

We have two ways you can make an impact:

**Monthly Support:** Helps sustain our ministry as we prepare to launch.

**Launch Goal:** We're raising \$200,000 to fully launch Legacy Church in September 2026.

Every gift makes a difference. Thank you for joining us in building a church where lives are transformed by God's love.
