

To Our Wonderful Community Partners,

The Lady Cavalier Fast Pitch Softball Program is proud to celebrate a significant milestone—**twenty years** of developing not only outstanding athletes, but remarkable young women. Over the past two decades, our program has consistently been recognized at both the **District and State levels**, with several of our players earning **college scholarships**—providing opportunities to compete at all levels of collegiate softball, a distinction achieved by only about 6-7% of high school softball athletes nationwide.

Yet, the true value of our program extends far beyond trophies and accolades. Every student-athlete who wears a Lady Cavalier jersey gains lifelong lessons in **teamwork, leadership, commitment, communication, and resilience**. High school sports, at their best, teach young people how to rise after setbacks, work together for a common goal, and carry themselves with integrity—skills that serve them far into the future.

Our continued success, however, would not be possible without the **unwavering support of our community**. The cost of running a high-caliber softball program far exceeds the funds allocated by the school district. Through a combination of **fundraising efforts and generous community contributions**, we are able to cover vital expenses such as **equipment, uniforms, game-day meals, tournament fees, facility upgrades**, and even **scholarships for graduating seniors**.

To help bridge the funding gap while staying within the CISD fundraising policy—which limits player participation to one fundraiser per semester—we proudly offer local businesses like yours the opportunity to support the Lady Cavalier program through a variety of sponsorship levels designed with flexibility and recognition in mind.

Please note that the **Lady Cavalier Diamond Club (LCDC)** is a fully recognized **501(c)(3) nonprofit organization** (Tax ID #26-0127122), making all donations or their equivalent **tax deductible**. A formal receipt will be provided upon processing your contribution.

Thank you for considering the support of the Lady Cavaliers and this **inspiring group of young women**. Your generosity plays a direct role in their **growth and success**—both on and off the field.

If you have any questions or would like more information about sponsorship opportunities, please don't hesitate to reach out to the LCDC Board at lcdcsoftball@gmail.com.

With sincere gratitude,

Dodge Macias

President
