

When you give to the Annual Fund, you are joining the PTA. Our goal is to reach 100% participation of parents and staff.

As a leading public school in the state, Warren T. Jackson Elementary is a National Blue Ribbon School, a Georgia School of Excellence, as well as an International Baccalaureate (IB) World School. Jackson Elementary is committed to creating a 21st century learning environment for our children that will inspire and provide a rich and innovative educational experience.

The Annual Fund is the largest revenue source for the PTA. The PTA helps to fund Curriculum Enhancements in STEAM (Science, Technology, Engineering, Art, Math), Literacy, New Technology, Staff Development and Training, IB and Cultural Arts, Media Center Upgrades, Building and Grounds Improvements, Music and Art Programs, Teacher Appreciation, and other fun community activities such as the Fall Festival/Fun Run, Fifth Grade Musical, and much more.

Our participation in the PTA is critical and reflects our belief in the school's commitment to provide a rigorous, yet balanced and well-rounded approach to education, ensuring that our children thrive. Every gift to the Annual Fund will have an immediate impact on the student experience and provide enrichment opportunities that would otherwise not be possible without participation by the entire Jackson community.

We invite you to join the Jackson PTA and watch how your participation and generosity will help drive Jackson forward as an even more state-of-the-art learning environment.

Please join us and consider a gift to the 2018 - 2019 Annual Fund.
