

Lay Away Program

Do you love a living room or dining room set, but don't have the money to buy it now? Order it now with our free and easy Lay Away plan!

We are proud to offer our customers Lay Away to make it easy for you to buy the furniture that you want by paying for them through manageable installment payments. The program allows you to break down your order's purchase price over a number of payments that you set. Use our Lay Away to plan and budget for all of your home furnishing purchase.

We ask that you give us a 30 day notice prior to wanting delivery (or pick-up) so that our merchandising team can get your order ready for you. While we ask for a 30 day notice, we will be able to get your furniture much sooner in most cases.
