Appendix 2

Code of Conduct when working with children

1. This code of conduct has been produced as a guide to any Aintree Village Parish Councillors and officers who come across children.
2. Avoid physical contact unless it is justified in the context of the activity, explained to the individual, and with their permission.
3. Physical restraint may be needed to manage certain situations, such as if a fight breaks out. Ensure the purpose of your actions is clear, and keep any physical intervention to the minimum required to prevent harm to any young people or others.
4. A distressed child may require physical contact, such as an arm round the shoulders, to comfort or reassure them. Try to ensure you are with, or in sight of, a colleague, and ensure the purpose of your actions is clear.
5. Conduct all dealings with children in a public environment in full view of others.
6. Do not place yourself in a situation where you may be open to suspicion or allegation, or where your actions may be misinterpreted.
7. Maintain a safe environment.
8. Avoid being alone with a child in any situation.
9. Avoid spending excessive time with a child or young person.
10. Avoid using inappropriate language in front of, about, or to a child.
11. Try not approach a child when a parent is present. If you have a concern about a child's behaviour take it up with the parent in a non-threatening way.
12. Try to use the disabled toilet when possible to avoid being in a toilet alone with a child.
13. Remember to keep calm when challenging a child's behaviour. Shouting or swearing is not a good idea and try to speak to the child in a way which you would be comfortable with someone speaking to your child.
14. Remember that children are not purposeful trying to aggravate you and generally see no wrong in what they're doing so try to explain why you are asking them to do something.
15. Never ask a child to enter the building with you.
16. If you have any concern with a child or a policy refer to the Aintree Village Parish Council's child protection policy and seek advice from the Parish Clerk or the designated Councillor for Child Protection.
