## 5x5 Drill

From low ready position,  
Shoot 5 shots at one of the  
the five inch circles from 5  
yards in 5 seconds.

All 5 shots inside the circle  
is the goal. A pass is  
shooting the drill 5 times  
with no misses.

To make it harder shoot the  
same drill drawing from the  
holster. Once mastered  
add drawing from  
concealment.
