Gun Safety Rules

- **ALWAYS keep the gun pointed in a safe direction**
- **ALWAYS keep your finger off the trigger until ready to shoot**
- **ALWAYS keep the gun unloaded until ready to use**
- **ALWAYS know your target and beyond**

5 Elements of Self Defense

- Innocence – Can not be the Aggressor or Escalator
- Imminence – Must be in Imminent Danger
- Reasonableness – capable that death or serious bodily harm
- Avoidance – Duty to Retreat
- Proportional – Only what it takes to stop the threat

Ammunition Recommendations

- Recommend carry what local law enforcement carries
- Law enforcement most likely will be speer gold dot, federal hst, or winchester ranger
- Make sure defense ammo cycles
- Change your carry ammo out every 6 months

Carry Holster Requirements

Three requirements a holster must meet

- Has to cover the trigger guard completely
- No finger or clothing access
- Has to firmly hold gun in holster
- Provides access to a full firing grip
- Kydex - the best material that meets these
