# About Datum

Datum Filing Systems, Inc has been designing and manufacturing filing, storage and office furniture solutions since 1968. Based in Emigsville, Pennsylvania, Datum is a family-owned and operated company that offers a full line of products designed to meet virtually any office furnishing need or storage application.

Dealers across America offer Datum products in addition to planning, moving and installation services. In-stock distributors coast to coast offer prompt delivery.

Our environment has become a subject of increasing importance in the world. It's the responsibility of every person and every enterprise to set a standard for sustainability with their daily operations.

The most important display of green-mindedness is our use of powder coating. This system of colorizing our products emits minimal contaminants into the Earth's fragile atmosphere.

Datum currently has standards in place to minimize wasted raw materials. All scrap metal is recycled along with many office supplies. Furthermore, most Datum printed materials are being done so on recycled paper.

As more options for environmentally-friendly products and services become available, Datum promises to expand its dedication to a greener way of conducting business for all our futures.
