

Native Plantings for Pollinators

in association with
Tippecanoe SWCD Native Plant Fest

**POLLINATOR
PARTNERSHIP**

Protect their lives. Preserve ours.

Come join Ella Stroh, Pollinator Partnership's Indiana Partner Biologist, for a presentation on planting native wildflowers for pollinators. Learn about:

- Selecting native plants for pollinators
- How to plant pollinator habitat
- Local resources for planting habitat

Event Details

When: April 22nd, 6:30 - 7:30 pm

Where: Maple Room, West Lafayette Public Library

This event is part of Tippecanoe Soil and Water Conservation District's Native Plant Fest. Check out the full calendar of events at: tippecanoecountyswcd.org/native-plant-fest
