

## ***TPDA Recital Packages 2023-2024***

At TPDA we believe that EVERYONE deserves the chance to dance. One action we take to make dance more affordable and accessible for all dancers is to give payment options for one of the largest expenses of the year: RECITAL.

Just as many things today, the rates to purchase a costume are continuing to rise each year. We aim to choose quality costumes that dazzle on stage, but also remain within a reasonable fee range. As well, we want all dancers to be able to show their skills to their loved ones. The rental fees of the auditoriums has also increased over time. We aim to make ticket prices reasonable and affordable so that our dancers can feel the joy of a full auditorium. Utilizing a payment plan can help make these dancer dreams come true.

You are in no way obligated to perform in our annual recital or to enroll in a package. You may elect to pay a \$25 deposit in November and then pay out the costume balance in subsequent months. Tickets and other add-ons may be purchased separately as they become available. However, you are not able to add, change, or delete plans once the fees have come due. As well, if your child chooses not to participate in the recital after costumes have been ordered, we will be unable to return fees. Many costume companies do not allow returns once an order has been placed.

To ensure we have provided these options for our dancers, we request that you complete this form during registration. Please complete both the front and back and return to the front desk as soon as possible.

### **Please initial and complete:**

\_\_\_\_\_ I understand that additional costumes for additional classes may need to be purchased at market price as well. These will require a \$25 deposit per costume in November with the balance due in December, January, and February.

\_\_\_\_\_ I understand that costume fees are non-refundable once costumes are ordered.
