Welcome to The Smoky Note. A modern cocktail lounge with a soul.

Paying homage is kind of our thing... this building, its history, the neighborhood and its future; the art of crafting drinks, a worthy night out, memories and special occasions. We're equal parts playful, artful and engaging; delivering a sensory-driven experience through the celebration of local makers, regional ingredients and contemporary techniques.

Here we believe in the power of 3—Cool Music, Great Drinks & Good Company—This trinity forms the cornerstone of our ethos ensuring every visit is an experience to remember.

Sit back and enjoy, we have a feeling you'll stay a while.
