

## Puppy Questionnaire

Thank you for your interest in our dogs. We feel taking the time to get to know everyone that is going to receive a puppy from us is very important, because our puppy homes are now a part of our extended family. We are committed to the dogs we breed for LIFE! This is only to help us get to know you, your family, and what you are looking for in a puppy and breeder. Puppies are placed according to temperament, and dynamics/lifestyle of the family – not necessarily by the color/markings or sex preference.

Thank you for your time and we look forward to connecting.
