

Puppy Pickup Policy & Payment Requirements

Texas Dachshund Dreams

To Ensure a smooth and timely transition for our puppies and their new families, please carefully review.

.. Deposit

To secure a puppy, a non-refundable deposit of minimum \$200.00 must be made, the deposit will only be accepted after the whelping and not before. This goes towards the total balance of the puppy. Payment can be made by Cash app, Apple Pay, Cash or Zelle. We are also featured on Gooddog.com. Deposits are only refundable if the puppy is deemed not healthy enough to be placed in a new home.

..Pickup Scheduling

Each puppy will have a scheduled pickup date and time. We try to accommodate family schedules but must also ensure we have enough time for each puppy parent.

.. Final Payment

All puppies must be paid in full at the time of pickup, no exception. If we are to hold a puppy for you past 8 weeks of age, then an additional cost could be required for boarding fees.

..Abandonment Policy

If a puppy is not picked up within 5 days of the scheduled pickup date, and no prior arrangements have been approved, the puppy will be deemed abandoned. In the event, all deposits and payments will be forfeited, and the puppy may be made available to another approved buyer.

.. Buyer Communication

It is the buyer's responsibility to maintain communication and coordinate pickup arrangements with us. We are willing to hold puppies for travel or other approved circumstances, but applicable boarding fees will apply. We are willing to assist in deliveries, including personal delivery of puppy to an agreed upon location but fees will be applied to cover time and fuel costs.

.....Thank you for your understanding and cooperation
