

Greener **Future Youth**

Join as a Leader with Greener Future Youth!

www.greenerfutureyouth.org

BECOME A CATALYST FOR CHANGE!

Do you have the drive to lead and inspire others? **Join** Greener Future Youth as a Team Leader and spearhead impactful environmental campaigns such as **Plant-A-Tree** and **Community Clean-Up** projects.

HOW TO JOIN AND LEAD

1 Select An Activity On Our Site

Choose between engaging activities like **Plant-A-Tree** or **Community Clean-Up** from our website.

Link to volunteering :

<https://greenerfutureyouth.org/volunteer>

2 Apply as a Team Leader:

Register as a Team leader on our volunteer page using the link below. Ensure to select **team leader** at the "what are you interested in" qn. in the form.

<https://greenerfutureyouth.org/volunteer-register-form>

3 Form Your Team:

As a team leader, get at least 5 volunteers to form your team. **Embrace diversity** to enrich your team's dynamics and effectiveness.

Help your team members register as volunteers. Ensure they also **follow us on social media**.

4

Carry Out The Activity

- Carry out the volunteering activities
- **Use our quick guides** on how to carry out each of the activities. Each activity has its guide.

Link to activity guides below:

<https://greenerfutureyouth.org/downloads>

5

Create And Share:

- Document your team's efforts through **photos** or **videos** and share them with us in step 6.
- Use our quick guide for creating compelling content to enhance your project's visibility.

Guide to good media content link below:

<https://greenerfutureyouth.org/downloads>

6

Report And Feedback:

After the activity, **report** your achievements ,learnings and media with us. Your insights are vital for refining future projects.

Link to providing feedback below:

<https://greenerfutureyouth.org/activity-complete>

ITS ALSO A COMPETITION!

As part of a challenge or campaign, different teams will compete to see who can garner the most **points**. These points can be redeemed for cash prizes and other rewards. Find out more about our point based reward system on our downloads page.

REWARDS & BENEFITS

Team leaders and all volunteers have a variety of rewards listed below:

1

Team leaders will receive an internationally recognized **certificate of leadership** and a **digital registration badge** for their LinkedIn page.

2

Team leaders will also receive **letters of recommendation** useful for job, scholarship or visa applications.

3

A **cash reward** based on a point based system. Points earned will depend on a successful event, diversity, content created, impact done and social media promotion of the event.

4

Team members/volunteers will receive a **certificate of participation** after completing the activities and a **digital registration badge** for their LinkedIn page.

5

Recognition: Outstanding team leaders and volunteers will be publicly recognized through our platforms to celebrate their contributions and inspire others.

6

Numerous **opportunities to collaborate** with environmental organizations, educational institutions, and corporations.

ABOUT US

Greener Future Youth is committed to empowering young people to be leaders in environmental stewardship. We aim to protect and preserve the environment through innovative education, impactful advocacy, and community-driven action. By fostering a deep connection to nature and promoting sustainable practices, we work towards a greener, healthier planet for future generations.
