Letter of Appreciation

Lady Ridgeway Hospital (Teaching) is the largest tertiary care hospital in Sri Lanka, exclusively dedicated to treating and managing children from all parts of the country, free of charge. We provide care for thousands of children annually, managing a wide range of illnesses.

As a tertiary care hospital, Lady Ridgeway Hospital manages a wide range of illnesses. At times, we face difficulties in treating patients due to an acute shortage of certain essential drugs, surgical consumables, and other necessary medical supplies.

On behalf of Lady Ridgeway Hospital and its staff, I wish to extend my heartfelt gratitude to you for your generous donation of the following items. Your contribution will help ensure the continuity of patient care services at the CTICU, BMTU and Endocrine Clinic of Lady Ridgeway Hospital for Children.

- 8 Syringe Pumps
- Patient Transfer Board
- Ketone Tester and Strips
- 50 Irrigation Bulb Syringes

We deeply appreciate your generosity. Your support makes a significant impact on our ability to provide essential care to children in need.

Letter of Acknowledgement

Lady Ridgeway Hospital for Children (Teaching) is the largest tertiary care hospital in Sri Lanka exclusively dedicated to the treatment and management of children from across the country, free of charge. We provide care for thousands of children annually, managing a wide range of illnesses, especially children with heart diseases, severe blood disorders, and immune deficiencies. Lady Ridgeway Hospital for Children also established the government's first Pediatric Bone Marrow Transplant Centre in 2020.

As a tertiary care hospital, we often face challenges in treating patients due to acute shortages of certain essential drugs, surgical consumables, and other necessary medical supplies.

On behalf of Lady Ridgeway Hospital and its staff, I would like to extend my heartfelt gratitude for your generous donation of the following items to the Cardiothoracic and Bone Marrow Transplant Units. Your contribution plays a vital role in ensuring the continuity of patient care services at Lady Ridgeway Hospital for Children.

Donated Items:

- Surgical instruments (3 right angle DB forceps & 1 curved DB forceps)
- Infusion pumps – 04
- Syringe pumps – 04

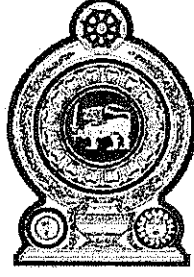

Allocated to the Bone Marrow Transplant Unit.

We deeply appreciate your generosity. Your support makes a significant impact on our ability to provide quality care to children in need.

Director,
Lady Ridgeway Hospital for Children.

To be the fore-runner of an excellent patient care service in Ruhuna.

Director General of Health Services
Ministry of Health, Colombo

**Request for 02 airvo High flow nasal oxygen machine, 02 stethoscopes(neonatal) and 02pen
tourches.**

The Neonatal Intensive Care Unit (NICU) and Premature Baby Unit (PBU) of the New District General Hospital (NDGH), Kamburugamuwa, is a Level 3 neonatal care facility under the supervision of a Consultant Neonatologist. The unit has capacity to manage babies from 22 Weeks of gestation and >500g birth weight. The unit provides service to about 120 neonates per month from Southern, Uva and Sabaragamuwa provinces. Further, it accepts in utero transfers from any institution in the island.

Currently, the NICU/PBU has a total capacity of 30 beds, supported by 16 incubators 4 ventilators. Even these are inadequate for managing neonates born under 26 weeks of gestation due to their inability to maintain optimal warming conditions.

The Consultant Neonatologist has requested 02 airvo High flow nasal oxygen machine, 02 stethoscopes (neonatal) and 02 pen tourches to enhance the capacity and quality of care at the NICU/PBU of NDGH, Kamburugamuwa. AUSLMAT (Australia Sri Lanka medical aid team), an Australian organization, has expressed willingness to fund the requested equipment to NICU/PBU.

Kindly provide your recommendations to proceed with the donation of said equipment.
Your prompt attention to this matter is greatly appreciated.

Dr. A.D.U. Karunaratna
Director
District General Hospital - Matara

Dear AUSLMAT,

Appreciating the Donation of Equipments to Paediatric Cardiology unit –SBSCH-Peradeniya

We here by extend our heartfelt gratitude for your helping hands with a generous donation of a EDAM multipara monitor, 2 Paediatric Littmann Classic 11 stethoscopes to paediatric cardiology unit and 12-Channel Holter systems(2) and a computer to the ECG unit, SBSCH Peradeniya.

Your donation at this time makes us much comfortable in providing curative care services to the innocent little hearts.

We gratefully appreciate your thoughtfulness in supporting us for improving the facilities of delivering Pediatric Cardiology care.

Thank You.

Sincerely,

Dr. (Mrs) Sunethra Irugal Bandara

Consultant Paediatric Cardiologist

SBCSH. Peradeniya.
