## GLEN BURTON

### KEYNOTES

#### **In Harm's Way - Always Moving Forward**

From growing up on a tough council estate in the North East of England to working with some of the biggest names in the world and being in the line of fire as a bodyguard. A motivational and inspirational journey where Glen takes you through some of his life experiences, both good and bad.

#### **Family & Executive Security**

A tailored workshop for families, executives and family offices where Glen talks about the measures that you can take to mitigate your risk both at home and while traveling. With the

global threat climate on the rise, there are measures we can all take to help ourselves manage our own personal security and safety.

#### **Corporate Executive Protection Workshop**

A tailored workshop for those working in the field of Executive Protection including corporate security teams. From special events to keynotes, advance work to international travel, learn the key fundamentals of low profile, high vigilance work supporting corporate executives and working with key staff members.

#### **Post-Traumatic Stress Syndrome**

The rise of PTSD is alarming in both current and former service personnel from combat and non-combat experiences. Identifying and managing this can be challenging and often missed by not only colleagues and family members but from those who it impacts too. This is a discussion on what we can all do to help others and each other.

#### **Performance - Motivation - Mindset**

Learn what drove Glen forward in all that he does since he was a young boy where he made the decision to join the Army. Adopting the unique Performance, Motivation, Mindset approach enabled Glen to overcome and excel in all that he did, while overcoming any and all obstacles that came his way.
