

National Jelly Roll Day QAL

Saturday September 16th, 2023 is National Sew a Jelly Roll Day! I have once again planned a special project again from this year! But like usual you have to wait till Saturday September 16th to see the actual project! But so you can focus on sewing on that Saturday and not cutting, I have created this yardage and cutting document to give you a head start!

Things to know before you begin

Fabric yardage and cutting was based on 40"-wide, 100% cotton fabrics.

All measurements include a 1/4" seam allowance, unless stated differently in the directions.

- WOF - Width of Fabric
- LOF - Length of Fabric
- HST - Half Square Triangle
- QST - Quarter Square Triangle
- FG - Flying Geese

Sew with right sides together unless otherwise stated. Read through the instructions before beginning your project. All directions have been tested and are presented in good faith, but no warranty can be given nor results guaranteed.
