

Forgotten Knowledge Forgotten Knowledge

First giving honor to Jesus Christ who is definitely the head of my life. My name is Martin (*The Herbal Guy*), I am a Herbal Practitioner whom specialize in Iridology and Primitive Facial Analyzation. I have been practicing for more than 15 years. Simply put, God has a word for his people on how to maintain (the body) his temple.

I have been summoned by God to bring awareness and Forgotten knowledge to his people . Genesis 1:29, God says behold I have given you every herb bearing seed, which is upon the face of all the earth and in every tree, In the which is A fruit of a tree yielding seed, to you it shall be for meat. Forgotten knowledge teaches about nourishing the body the way God has Intended for us to, and not so much the way man has chosen to nourish the body. I help people reverse any issues that they may have with body illnesses using herbs. Each organ has its own food, therefore should be nourished accordingly. See, by nourishing the organs accordingly you can reverse severe aging, arthritic pain, early dementia . (3rd John 1:2) reads, God said He wishes above all things that thou mayest prosper and be in health even as our soul prosper. Our mind navigates the body (God's temple),which is under terrible attack by the Adversary. See Gods Wish is that the body be as attentive for his uses as one's spirit (a balance). Imagine being 80 years old in good health and sound mind . Imagine at the age 80 being able to share your life long experiences with the youth, the (do's and the don'ts)... Imagine at 80 the life learned wisdom one could share with the youth about the Lord God . The days of our life are three scores and ten , and if by reason of strength four score years,(psalms 90:10)

Sadly Gods people are falling short of reaching theses 70 plus years both in health and sound mind...

Forgotten knowledge teaches how to prosper in good health with keeping a sound mind even as thy soul prosper .

Teaching this forgotten knowledge is my calling.
