

Alone and Needing Companionship?

Let "Under My Wing" Take You Under Theirs!

Under My Wing care and support is a bespoke family run company. Our main objective is to support our clients' independence within their own homes, enhancing the quality of life for those individuals in need of companionship and support, so no one ever needs to feel alone.

We offer a huge range of services, such as befriending, social outings, domestic support, shopping support, meal preparation, Medication support, wellbeing checks ... and much more! We are one of the only companies in our field to have our own vehicle with wheelchair access too.

We play a vital role in the community, and our service allows us to meet every client's needs, ensuring they feel valued and supported daily. Our energetic and compassionate approach allows our clients to thrive in their other daily activities. The time and passion that we give to enhance people's lives within the community is second to none, promoting positive outcomes for the individuals.

Our dedicated support workers who are all Enhanced DBS checked, fully trained and competent, always "go above and beyond" and we come highly recommended by other health professionals. And what's more, we only have one set fee – with no hidden charges!

Please get in touch with a member of the team for further information and let's ensure that your loved ones are never alone.
