MEMORANDUM

To: Chris Pigg, Records Department Manager
From: Jeff Stahla, Public Information Officer
Date: Thursday, April 23, 2020
Subject: Colorado Open Records Act request

Ms. Pigg,

Please find attached images that convey the content of a text message exchange between me and Larimer County Commissioner Tom Donnelly, as pursuant to a Colorado Open Records Act request. This pair of screen shots is the only such message that falls within the scope of the request.

Thanks,

Jeff Stahla

Note: This exchange occurred during a break in a meeting at the Larimer County Courthouse on Aug. 14, 2019. The described "breach of protocol" refers to my attempt earlier at the meeting to answer a question without having been recognized by the chair. -- js
