Jul 21

Commissioner Johnson,

Below is the draft language proposed for the NISP hearing website sign-up. Please let me know if you would like to add or amend anything, the goal is to have this page go live by Friday, July 24. Thank you.

"Tentatively beginning on August 24, 2020, the public will able to provide testimony either via remote options OR in person (up to 50 members of the public in the room at one time based on pre-registration and the Larimer County Health Department guidelines in effect at the time of the meeting).

Commissioner Johnson, Chairman, notes that each member of the public will have 3-minutes to speak with no lending, borrowing, or grouping of time. Individuals may sign-up together in order and present in that same order to keep a contiguous presentation going. For proper planning, this will need to be communicated at least 1 week before the hearing to the Community Development Director.

Written comments are encouraged and will become a part of the final record, and the agenda packet given to the Board before the hearing.

The sign up to provide public testimony starting on August 24<sup>th</sup> will be available on this webpage beginning on July 24<sup>th</sup> at noon."

Kind Regards,

Don Threewitt, AICP  
Planning Manager
