CHRISTMAS HAM

WORDS BY MICHELLE
BAUYON

How can a family that has nothing on their plate can Celebrate Christmas? When I was 8, I can still remember the smell of ham being cooked on the kitchen of our neighbour. As the monsoon wind coming from our neighbour who were all busy cooking their Christmas dinner or Noche Buena, we are preparing our bed to sleep. As a child, Christmas is the most important time of the year, where gifts and a lot of marvellous foods are being prepared on the table, but for my mom and two sisters, it was just an ordinary evening. I prayed that time and ask God to give us ham, just a slice of ham for me my two sister and my mom. While we were prepared to sleep, someone knocked at our door and then my sister opened it and to my surprise, there were Ham, fruits, imported chocolates and money from a family friend who happened to live two doors away from us. I prayed again and said "LORD THANK YOU !!! I ONLY ASKED FOR A SLICE OF HAM BUT YOU GAVE US A LOT THIS CHRISTMAS EVE!" At a very young age I have seen how God instantly answer an innocent prayer.

"Ask, and it shall be given you; seek, and ye. shall find; knock, and it shall be opened unto you: 8 For every one that asketh receiveth; and he that seeketh. findeth; and to him that knocketh it shall be opened."Matthew 7:7-8

Miracles happen everyday, the only thing we need to do is to believe. I have countless events in my life that I have encountered God who provides. Remember, "do not be afraid " was mentioned in the bible 365 times, this only means that we do not have to worry of what we will eat tomorrow, because God is the one who will provide.

Now I know how to have nothing that is why I learned how to give . Every year I have a commitment to the Lord that I will give something on the table of a family that has notche buena to celebrate on Christmas eve. I am praying that the Lord will continue to Bless me so that I can be a channel of blessings to others.
