Christmas! A time to love and to share. One of the unforgettable events of PWMDFC was last December 18, 2022, when God blesses the day with beautiful souls that made our PWD children feel the spirit and essence of Christmas. We are lucky and grateful that our Foundation Persons With Multiple Disabilities Foundation Corp. was chosen by PRIMA TECH PHILS. INC. to be their recipient as of the company's Corporate Social Responsibility the "PAMASKONG HANDOG". The event was conducted at Vicente Lim Multipurpose Hall at Mayapa, Calamba, Laguna with 50 PWD children and their guardians. The program was graced by the presence of some employees of PRIMA TECH and Ma'am Michelle Bauyon the Founder of the Foundation and started at exactly 9:00 am and ended at 11:30 am. Various activities happened during the programs, they are where kids showed up their talents through dancing and singing, parlors games that everyone enjoyed, inspirational messages inspired everyone and most importantly the children were happy as they received their gifts from our partner and sponsor company. The activity was full of love and happiness that went to a blessed and successful event.

- Giving is an act of kindness whose benefits are greater than most of us recognize. People give when they know that their donations are going to make a difference in the lives of other people.
- People give to support causes they find important
- Romans 12:6 reminds us that God, through Christ, has given each of us gifts to use for his glory. The holidays can be a great time to use your gifts for that purpose – to shine the light on Jesus while bringing joy to other people.
