CHRISTMAS SPECIAL

PWMDFC GIVES OUT PAMASKONG NOCHE BUENA PACKAGE TO PWDS

It is indeed the Season of Giving as the PWMDFC shares the spirit of Christmas by giving Noche Buena Package

For the past years it has been the tradition of People with Multiple Disabilities Foundation Corp. to shed light and happiness to people from different places in Laguna and make their Christmas more meaningful.

This 2020, regardless of the pandemic that's happening, that tradition still continues. On December 24 of the said year, the PWMDFC celebrated its 3rd Thanksgiving Event in Sta. Rosa, Laguna.

Due to COVID-19 pandemic, the celebration was held a little different but that did not stop the foundation to do what they usually do during the Christmas season.

Among the people who were given Noche Buena

The foundation extended its help in Liliw, Laguna, and was able to give more people not just food for Christmas but also love and hope.

Sharing of gifts from Nissin biscuits children from San Vicente, Cabuyao Laguna. It's the most wonderful time of the year... unless it's not. For many children and their parents, this time of year may be depressing, stressful or simply go by unnoticed due to more pressing problems and pandemic. there are small ways to donate a Christmas present to a child who might not otherwise get one, and to provide a moment of happiness to a child and PWDs undergoing a stressful situation, whether it's poverty, illness or Covid-19.

Please remember that there are many vulnerable communities that do not have national organisations dedicated to them, but that still need donations during holiday season.

Pwds and their families and many children live without the means to have their most basic needs met, much less receive a gift at holiday time.

We are blessed to have some donors who have supported us from this mission.

Hebrews 13:16
Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God.
