

## Redhorse Engineering

100% Native American and Woman-Owned Engineering Firm

# REDHORSE ENGINEERING

*Where Opportunity Meets Expertise. We Deliver Results.*

## Company Overview

Redhorse Engineering (RE) is a professional services firm providing top-tier engineering management and project support to established firms and agencies. Founded by Teena Redhorse—a licensed civil engineer with over 20 years of experience—RE fills critical gaps in technical capacity, project delivery, and leadership.

RE is built on a foundation of integrity, technical excellence, and a commitment to empowering professionals in engineering and construction. We deliver dependable, high-quality solutions while fostering a culture of professionalism, diversity, and trust. From strategic leadership to hands-on support, RE brings thoughtful, results-driven expertise to every project.

## Core Services

- Project Engineering
- Program & Project Management
- Project Owner Representation
