About Dad's Club

Northwest's Dad's Club is an extension of the PTA and open to the adults in the lives of NW students (not just dads!). The organization raises funds for the school and supports the PTA. Its events are inclusive of all students and their families.

Northwest Honored as a PTA School of Excellence

The National PTA has recognized the Northwest Elementary PTA with the **2020-2022 National PTA School of Excellence** designation. This is a prestigious recognition symbolizing strong **family-school partnerships**. Northwest is 1 out of only 35 schools with this honor in the entire state.

How is PTA Money Spent?

All funds raised through PTA memberships, online store orders, and fundraisers go toward resources and programs that directly benefit ALL of our students, teachers, and school.

Help support your child and our school by joining our PTA. Memberships and more can be purchased at northwestpta.org.

Access ReadingIQ for Free

Through a partnership with the Florida House of Representatives, Age of Learning (makers of ABCmouse) is giving away free access to the digital library *ReadingIQ* to all families in the state of Florida. The digital library has books that kids actually WANT to read from popular franchises like Disney and Marvel. It also helps readers find the books they SHOULD read, books at their *just right* level (AR level, Guided Reading level, Lexile level, or the reading level determined by the in-app reading assessment). Florida families can access ReadingIQ for FREE by visiting ReadingIQ.com/NewWorlds

Hooray for Chipotle: Night Out with Northwest
