...NEWS ON THE FLY

*"Life's too short to wake up with regrets. So, love the people who treat you right, forgive the ones who don't and believe that everything happens for a reason. If you get a chance, take it. If it changes your life, let it. Nobody said it'd be easy, they just promised it would be worth it."*

### 5<sup>th</sup> Grade Celebration Update

We have had two great Zoom meetings since January, and the planning is underway for this special event. There are several different ways to help, and there is still time to volunteer for a committee. Please contact Tracy Johnson at [nwepta.president@gmail.com](mailto:nwepta.president@gmail.com) if you are interested. Any area you can help is appreciated. Specifically, we still need chairpersons for the following committees: Menu, Entertainment, and Programs.

Join us for our next meeting on Tuesday, March 30 at 6:00pm on Zoom. The login ID and passcode will be emailed out a few days before the meeting. We hope to see you then!

### School of Excellence Update

We are working hard to renew our National PTA School of Excellence designation which recognizes outstanding PTA-school partnerships to improve the educational experience of every child. We analyzed the baseline survey results from last Fall and have chosen to focus on improving communication and providing helpful resources to 5<sup>th</sup> grade students and their families about transitioning to middle school. It is an exciting but challenging time, and PTA is committed to providing support to ease the transition. In the coming months, be on the look out for information from the PTA to help guide and assist you on this journey.

To kick things off, we want to know what your 5<sup>th</sup> grader thinks about moving on to middle school. Use the link below for your child to fill out a survey that addresses their excitement, questions, or concerns. We'll use the information to find resources or create opportunities to help them (and you) gain confidence and feel more prepared for the changes ahead.
