Appointment Cancellation Policy

We strive to render excellent dental care to you and the rest of our patients. In an attempt to be consistent with this, we have an **Appointment Cancellation Policy** that allows us to schedule appointments for all patients. When an appointment is scheduled, that time has been set aside for you and when it is missed, that time cannot be used to treat another patient.

Our policy is as follows:

- We require that you give our office **48 hours** notice in the event that you need to reschedule your appointment. **We understand that things come up unexpectedly, however, we appreciate that you let us know prior to your appointment via phone, voicemail, email, or google chat.**

This allows for other patients to be scheduled into that appointment.

- If you miss an appointment without contacting our office within the required time, this is considered a missed appointment.
- If a patient is more than 20 minutes late without prior notice for a scheduled appointment, we will consider this a missed appointment.
- If you have **frequent** missed appointments at our office, you may be dismissed from out practice.

If you have any questions regarding this policy, please let our staff know and we will be glad to clarify any questions you have.

We thank you for your patronage.

I _____ (print name) have read and understand the Appointment Cancellation Policy of the practice and I agree to be bound by its terms. I also understand and agree that such terms may be amended from time-to-time by the practice.
