Welcome to YORKSHIRE STAMP AUCTIONS!

A very warm welcome to the Catalogue for the April 2024 sale and I hope you had a very good Easter. As I write this the sun is shining and it really looks like Spring has arrived. There is a lot of new material on offer and I am hopeful there is something to interest everyone. Just a reminder (again), all of the auction catalogues are available free to download from our website. There is again a good selection of attractive, early GB and Commonwealth items all at either very low or competitive reserves, as well as some scarcer sets and singles from the continent. There are also a number of interesting boxes and packets requiring careful sorting with a number of GB collections awaiting careful study. There are two substantial British Commonwealth and World collections in 4 ring binders that really do deserve inspection. I hope there is something of interest to you and look forward to seeing you on the day of the sale - until then, happy collecting and good luck with your bidding.

Dave and the rest of the YSA team.
