Welcome to YORKSHIRE STAMP AUCTIONS!

A very warm welcome to the Catalogue for the July 2024 sale . Also, a welcome to the venue at Wigginton, YORK, which we hope will be much easier travelling for you and there are no stairs or lifts required to gain access to the auction. There is ample parking at the hall and a selection of local shops within easy walking distance for those wanting to buy a sandwich etc. There is a lot of new material on offer and I am hopeful there is something to interest everyone. Just a reminder, all of the auction catalogues are available free to download from our website. There is again a very good selection of attractive, early GB and Commonwealth items all at either very low or competitive reserves, as well as some scarcer sets and singles from the continent. There are also a number of interesting boxes and packets requiring careful sorting with a number of GB collections awaiting careful study. There are a number of substantial boxed collections that really do deserve further inspection. I hope there is something of interest to you and look forward to seeing you on the day of the sale - until then, happy collecting and good luck with your bidding.

Dave and the rest of the YSA team.
