Welcome to YORKSHIRE STAMP AUCTIONS!

A very Happy New Year and welcome to the Catalogue for the January 2025 sale. We have been working hard behind the scenes to prepare for our first live web auction and look forward to welcoming new customers who have not attended our auctions previously. Using a web platform in order to reach out to more people inevitably impacts on the way we operate and there will be a number of changes to our 'normal' auction day operations. However we are working hard to minimise these and hope everything will run smoothly on the day with the least inconvenience to our buyers.

We have, for a long time now been operating on a basis of just covering our costs but, as is the case with normal day to day living, costs have risen significantly since we took over the mantle of running the auction. Sadly, I have had to make the decision to increase the rate of commission. I have split the rate to fall equally on both vendor and buyer and with immediate effect the buyers and vendors commission rate will now be 17.5%. I hope you understand the necessity of making this decision but it means Yorkshire Stamp Auctions are still able to offer one of the most cost effective means of selling or buying your items, when comparing the fees of other auction houses in the region.

So, back to the sale catalogue. There is a lot of new material on offer with the opportunity to purchase a very interesting GB Overprint's collection (Lot 129), as well as a host of other material from two deceased estates as well as a host of smaller items. There are also a number of interesting boxes and packets requiring careful sorting with a number of GB and world FDC collections awaiting careful study. Please note that in a change to our normal practice, the first 50 lots (Boxes/accumulations) are open only to room and postal bidders. These lots will not be sold via EasyLive. I am hopeful there is something to interest everyone.

Just a reminder, all of the auction catalogues are available free to download from our website.

I look forward to seeing you all on the day of the sale - until then, happy collecting and good luck with your bidding.

Dave and the rest of the YSA team.
