Welcome to YORKSHIRE STAMP AUCTIONS!

A very warm welcome to the Catalogue for the July 2025 sale, a sharp turn around following our sale back in May and I hope you have had the chance to have a break. There is a lot of new material on offer and I am hopeful there is something to interest everyone. There is again a good selection of attractive, World and Commonwealth items all at either very low or competitive reserves, as well as some scarcer sets and singles from the continent.

There are also a number of interesting boxes and packets requiring careful sorting with a number of GB presentation pack collections awaiting careful study. There are again two substantial British Commonwealth and World collections in ring binders and on album pages that really do deserve inspection. I hope there is something of interest to you and look forward to seeing you on the day of the sale - until then, happy collecting and good luck with your bidding.

Dave and the rest of the YSA team.
