Welcome to YORKSHIRE STAMP AUCTIONS!

A very warm welcome to the Catalogue for the October 2025 sale, a sharp turn around following our first Timed sale which ended just a week ago on 27th September (as I write). I hope you have had the chance to have a break since we last met back in July. There is a lot of new material on offer and a good selection of attractive GB, World and Commonwealth items all at either very low or competitive reserves, as well as some scarcer sets and singles from the continent. There are also a number of interesting boxes and packets requiring careful sorting with a number of GB presentation pack collections awaiting careful study. There are two substantial British Commonwealth and World collections in stock books and albums, as well as a number of Italian Small lots that really do deserve inspection. I hope there is something of interest to you and look forward to seeing you on the day of the sale - until then, happy collecting and good luck with your bidding.

Dave, Shaun and the rest of the YSA team.
