

Morgans in the Display Ring

Cars in the Park is a great annual classic car show In Lichfield (on 4/5th July 2026) with pitches taken by numerous car clubs. There are often over 2000 cars on display over the weekend in addition to many trade and craft stalls, and a funfare to make it a weekend for the whole family.

A Morgan enclosure has been booked for the whole weekend and club members are welcome to join in on either (or both) days and park on the Morgan stand. Space will be limited and will be allocated on a 'first come first serve' basis.

Please pre-register with me if you would like to come. The cost for a space in our enclosure is £10 for the day (all monies go to charity) giving you a dedicated parking spot and entry pass for as many people as you can cram into your mog. There are normally several food outlets or you can bring a picnic and chill out under our Gazebo. Keith's camper will also be on our stand and he has been known to provide Staffordshire oat cakes. Lichfield town centre and its historic cathedral are also close by.

The site opens at 7am and you need to be parked up by 11am (I would recommend getting there earlier to avoid queues). The show closes at 4pm on Saturday and 4.30 on Sunday.

Please let me know ASAP if you would like to attend so that I can secure your spot and send you payment details. For more info, check out the CITP website here: <http://www.carsinthepark.com> but DO NOT book direct with CITP if you want to be in our enclosure.
