Data Protection

The personal data of all members of the Morgan Sports Car Club is held subject to the terms of the Club's Privacy Policy, which is available in the Club Documents section of the MSCC website. These obligations extend to Centres in the UK. Your details will be stored on a secure data base only fully accessible by the Membership Secretary and Centre Secretary. Only details necessary for their function will be shared with the Treasurer, Event Secretary, Web Master and MSCC. If your partner does not sign but you have provided their details, it is presumed that you have their permission to do so.

The Staffordshire Centre of the Morgan Sports Car Club will maintain a Members' Directory on the Member's Only pages of the website to facilitate and enhance the enjoyment of its members. This contains details about members who have agreed to their personal data being included. As a member of Staffordshire Centre there is no obligation to provide personal data for inclusion in this Directory and you should only do so, if you are content with the following terms and conditions.

The Member's Directory will be published on the Member's Only pages of the website accessible to all members of the Centre. As such, all data contained in it should be regarded as effectively being in the public domain, (members are urged to keep the information safe and not to share it without the consent of the relevant members). Staffordshire Centre and the MSCC have no effective control over how it is further used and/or distributed.

If you do submit data, you accept that any and all consequences of this are not the responsibility of the MSCC, its officers, or the committee of the Staffordshire Centre, past or present.

Under the UK General Data Protection Regulation (GDPR), you have the right to withdraw your consent at any point, and expect the list to be modified in a timely manner, but this not erase or recall information previously available.

To withdraw a consent previously given, please submit your request in writing to the Centre Secretary, who will take the appropriate action at the earliest practical opportunity.

You may include as little or as much data as you want. Whatever you enter on the form will appear in the Members' Directory. For example: **You may not wish to be in it at all.** You may want not to give a **phone number**. You might wish your address to be only the **first part of your post code**, or **only your general district**, e.g. Cannock. You should be mindful that you could be putting your details into the **Public Domain**.
