

## **Chairman's Report April 2020**

As I write this, we all are in lock down with Covid- 19 I'm sure we all are looking after our self's and we all hope that we stay well, so we can all meet up again soon

At this time it as been decided that all events in our calendar would-be put-on hold.

It is at this time we can get on with the jobs on the list and time to look at any job on the car we may need to do. If you are doing jobs on your car and need help with information, or how to go about things, there are a number of members within the Centre who might be able to help so all you need to do is ask?? I'm always here to help It would be nice if we all can stay in touch over this time, let us know how you are and what you are doing. If you become ill, let us know as we are part of a family and we might be able to give support if needed. At the committee meeting on 16<sup>th</sup> March we had decided to get WhatsApp group up and running called StaffMog as you read this, I hope this is in operation. At the meeting, it was decided that all events in our calendar would-be put-on hold and we will keep you up-dated

Noggin at the Bridge on Sunday 8<sup>th</sup> March

2 Morgans braved the fresh and showery day with only 10 joining for lunch

As it turned out, that was probably our last Noggin for some time due to the Coronavirus

Kevin Biddle retirement, welcome to the OAP section of the Centre

**Membership** As of the 1<sup>st</sup> April, 55 members have re-joined

As news comes in, we will keep you up-dated on all events and matters as we receive information More information will be in Burble & Blatt May edition

**Remember, enjoy what you do as long as you stay home and "stay safe"**
